PRESS RELEASE

The bike that changed everything

After 5 consecutive titles in the World Grand Prix Road Racing Series, Honda decided to withdraw and turn toward its primary target: transfer the technology obtained in competition to develop high-performance consumer machines. After an initial attempt with a 450cc machine, Honda released the CB750 Four in 1969. The initial production forecast of 1,500 units a year soon became a monthly figure and then jumped to 3,000 units per month. By pushing the boundaries of performance, reliability and easy handling in motorcycles, Honda created a new class of Superbike. The CB1000R is the modern expression of the same spirit that has guided Honda engineers for decades.

*The Dream CB750 FOUR,
which hit the market in 1969*

QUICKSHIFTER*
08U70-MKJ-D00

By measuring the intensity of shifting input, the quickshifter enables the rider to change gear without the need to operate the clutch lever or shut the throttle. The system aids in upshifting and downshifting, maximising the riding experience.

METER VISOR*
08R71-MKJ-E50

Meter visor fitted with a high quality aluminium panel to enhance the iconic look of the CB1000R.

GRIP ENDS SET
08F71-MKJ-E50

Give your CB1000R some additional protection with this set of grip ends which will help protect your bike in case of a fall

FRONT FENDER PANEL KIT*
08F79-MKJ-D00

High quality aluminium panel to add to the front fender of the CB1000R.

PERFORMANCE & DESIGN

SINGLE SEAT COWL*
08F70-MKJ-E50ZA or ZB / 08F80-MKJ-D00ZA

Seat cowl matching the colour of the bike, fitted with a high-quality aluminium panel.

To be installed instead of the passenger seat.

3 colours available:

- Matt Ballistic Black (E50ZA)
- Matt Beta Silver Metallic (E50ZB)
- Candy Chromosphere Red (D00ZA)

RADIATOR GRILL
08F75-MKJ-E50

Made of stainless steel, the Radiator Grill increases the CB1000R's premium image. The original mesh pattern combines cooling capability with protection from stones entering the radiator.

WHEEL STRIPE KIT
08F74-MKJ-D00ZA

Easy to apply wheel decal kit. Silver colour-accented vinyl stripes featuring the CB1000 logo.

CB
1000R
NEO SPORTS CAFÉ

HEATED GRIPS*

08T70-MKJ-E50

Thin and fully integrated with the other controls, this set of heated grips are controlled through a 5-position switch on the left hand side.

RIDER SEAT (ALCANTARA)

08F76-MKJ-E50

Made of luxurious Alcantara material, this rider seat brings the ultimate level of comfort and seating stability.

PILLION SEAT (ALCANTARA)

08F77-MKJ-E50

For a perfect match with the Alcantara rider seat, select this accessory seat which will bring the same level of comfort and stability to your pillion.

ACCESSORIES

CB650R

PRESS RELEASE

Where are these beautiful curves coming from?

One of the most distinctive attributes of the CB650R is its swooping four-into-one exhaust system. This beautiful design is a tribute to another iconic Honda: the CB400F also known as the CB 400 Four. Produced between 1975 and 1977, the CB400 Four caused quite a stir thanks to its café racer look. Producing only 37 bhp (28 kW) at 8,500 rpm and 24 lb-ft (33 N-m) at 7,500 rpm, its four-in-line engine was not meant to take the racetracks by storm. Yet, back in the late 70's, some versions upgraded to 492cc were capable of 13,500 rpm and producing an estimated 60 bhp (45 kW).

METER VISOR KIT
08R70-MKN-D50

The meter visor is fitted with a high-quality aluminium panel to further enhance the iconic look of the CB650R. Stays are sold separately (see 08R74-MKN-D50).

FRONT FENDER PANELS
08F73-MKN-D50

Pair of high-quality aluminium panels designed to fit the front fender and give your motorcycle the ultimate Neo Sport Café look.

SHROUD COVERS
08F74-MKN-D50

Pair of high-quality aluminium shroud covers beautifully engraved with the CB650R logo.

SIDE COVERS
08F75-MKN-D50

High quality aluminium panels that fit to the sides of the bike, adding to the premium feel of your CB650R.

PERFORMANCE & DESIGN

UNDER COWL
08F71-MKN-D50ZA

The under cowl kit will improve the appearance of your CB650R. All components required for direct fitment to the frame are included.

REAR SEAT COWL 08F72-MKN-D50ZB

Available in Matt Gunpowder Black Metallic, the rear seat cowl is suitable for fitment to any colour of the CB650R. It features a pad to improve rider comfort and can be enhanced with the addition of an aluminium plate (sold separately).

SEAT COWL PLATE 08F76-MKN-D50

Aluminium insert to enhance the design of the Rear Seat Cowl.

WHEEL STRIPES

08F84-MFJ-810A, 20A, 30A, 40A or 50A

A set of wheel stripes to fit both of the CB650R's 17 inch wheels with Honda Racing stickers included. Available in 5 colours:

- White (10A)
- Red (20A)
- Blue (30A)
- Green (40A)
- Silver (50A)

QUICKSHIFTER

08U72-MKN-D50

By measuring the intensity of shifting input, the Quickshifter enables the rider to change gear without the need to operate the clutch lever or shut the throttle. The system allows for seamless upshifting, maximizing the riding experience.

HEATED GRIPS

08ESY-MKN-HG19

Extremely slim heated grips which provide 360° heat around the grip and feature an integrated control for maximum rider comfort. Features 3-step variable heating levels, integrated circuit to protect the battery from draining and smart heat allocation that focuses on the area of the hands most sensitive to cold. Attachment and heat-resistant glue included.

FRONT VISOR (SMOKE)

08R71-MKN-D50

Fitted to the meter panel, this small and stylish wind deflector protects the chest from wind blasts at higher speeds. Stays are sold separately (08R74-MKN-D50).

VISOR STAY KIT

08R74-MKN-D50

Pair of left and right stays required to install either the front visor or the meter visor (sold separately).

TANK PAD (CB LOGO)

08P71-MKN-D50

Tank pad featuring the CB logo. The tank pad helps to protect the tank paintwork from scratches.

ACCESSORIES CB500F

PRESS RELEASE

Is reliability supposed to be boring?

It's not rare to find a CB500F proudly boasting more than 180,000 miles but the long-time favourite of couriers and riding schools is much more than just a workhorse. Started in France in 1996, the CB500 Cup spread across Europe quickly and helped young talents such as Sebastien Charpentier and James Toseland to make a name for themselves on a budget.

©cybermotard.com/Vincent Pouilly

35L TOP BOX KIT
08ESY-MKP-TB19

This kit includes the 35L Top Box and all components required to fit it to the CB500F, including the rear carrier and top box base. The included key system allows the top box to be operated using the CB500F's main ignition key and an Inner bag is also included (08L09-MGS-D30).

3L TANK BAG
08ESY-MKP-TKB19

A simple and functional tank bag specifically designed to fit the CB500F. Thanks to the included attachment, the Tank Bag has a stable mounting point which prevents it from disturbing the handling of the CB500F. A clear pocket at the top of the bag makes smartphone storage easy. The bag has a 3 Litre capacity and a rain cover is included. Dimensions in mm (W x L x H): 178 x 285 x 130

REAR SEAT BAG
08ESY-MKP-RRSEAT

Functional rear seat bag that provides a capacity of 15L which can be expanded to 22L. Easy to attach and perfectly stable thanks to the specific attachment included. Rain cover also included.

TOP BOX INNER BAG (35L)
08L09-MGS-D30

Black nylon bag featuring a silver Honda Wing logo on the front pocket. Expandable from 15L up to 25L with the front pocket able to accommodate an A4-size file. Comes with an adjustable shoulder strap and carrying handle.

REBEL 1100

ACCESSORIES CMX1100 REBEL

**NEW
MODEL**

Do you really need a clutch lever?

The Dual Clutch Transmission made its worldwide debut for motorcycles in 2010 with the Honda VFR1200F and has been constantly improved since then. DCT allows the rider to focus on accelerating, turning and braking, rather than gear shifting which increases control for the rider. The DCT is completely different from the automatic transmission used by most scooters: it is structurally a conventional 6-speed transmission, just electronically controlled.

REBEL 1100

HEADLIGHT COWL 08ESY-MLA-HL

Adopt the power-cruiser style with this headlight cowl. It helps make your ride more comfortable by reducing the wind pressure to the upper body while adding to the unique style of the CMX1100. Fitment stay is included.

SHORT FRONT FENDER 08P70-MLA-D00

The Short Front Fender features the Rebel logo and central stripe adding a sporty touch to your bike. Matches perfectly with the headlight cowl.

SCREEN COWL 08ESY-MLA-SC

With its classic style, the Screen Cowl offers the maximum protection to riders who enjoy long distance cruising. Attachment and stays are included.

DESIGN & PROTECTION

CENTRE TANK PAD 08P70-MLA-A00

This pad is specially designed to fit the Rebel 1100 tank shape and to protect it from scratches. With its "Rebel" logo and diamond cut pattern, it perfectly matches the diamond stitch design of the special seats (sold separately / see COMFORT section).

SIDE TANK PADS SET 08P71-MLA-A00

This set of tank pads are specially designed to fit the tank shape of the Rebel 1100 and protect the side areas from scratches. The diamond cut pattern perfectly matches the diamond stitch design of special seats (sold separately / see COMFORT section).

WHEEL STRIPES 08F70 or 08F71-MLA-A00ZA

Available in Matt Axis Gray Metallic, the wheel stripes add a finishing touch to your wheels. A separate kit is required for each wheel size.

- 16" Rear (08F70)
- 18" Front (08F71)

DIAMOND MAIN SEAT

08R75-MLA-A00ZA or ZB

Thanks to its distinctive pattern and its luxurious leather material, the Diamond Seat will make your CMX1100 Rebel stand out. 2 colours available:

- Buffalo Brown (ZA)
- Black (ZB)

DIAMOND SPECIAL SEAT

08R72-MLA-J00ZA or ZB

The Special Seat features the diamond stitch pattern as well as an additional 25mm of cushioning. Designed with riders who prefer to not extend their legs in mind, this seat allows for a more comfortable riding position.

- Buffalo Brown (ZA)
- Black (ZB)

BROWN PASSENGER SEAT

08R73-MLA-J00ZA

This Passenger Seat will perfectly match the Buffalo Brown Diamond Seat (sold separately).

RIGHT SADDLEBAG (SMALL)

08L04-K87-A31

Made of a sturdy and lightweight ballistic nylon, this saddlebag with a 10 litre capacity adds to the tough style of your Rebel. It can be attached/detached in one-touch thanks to its three-point adapter (sold separately). Equipped with a waterproof inner bag and easy to carry, this practical saddlebag is a must-have for everyday use.

LEFT SADDLEBAG (LARGE)

08L05-K87-A31

Made of a sturdy and lightweight ballistic nylon, this saddlebag with a 14 litre capacity adds to the tough style of your Rebel. It can be attached/detached in one-touch thanks to its three-point adapter (sold separately). Equipped with a waterproof inner bag and easy to carry, this practical saddlebag is a must-have for everyday use.

COMFORT

MAIN SEAT 25MM FORWARD

08R80-MLA-A00ZA

This seat adopts the same design as the standard seat but its extra 25mm cushion helps the rider to adopt a more comfortable position.

BACKREST KIT

08ESY-MLA-BR

To offer a smooth ride to your pillion, equip your Rebel 1100 with this backrest kit including a comfortable pad.

HEATED GRIPS WITH ATTACHMENT

08ESY-MLA-GH

Extremely slim heated grips with smart heat allocation and 5 different heat levels. The heat level selected is displayed on the main screen and an integrated circuit protects the battery from draining.

SADDLEBAG SUPPORT

08L72 or 08L73-MLA-J01

This support is required to attach a saddlebag to the side of your Rebel 1100. Saddlebags sold separately.

- Right side (08L72)
- Left side (08L73)

REAR CARRIER

08L70-MLA-J00

The Rear Carrier allows you to carry extra luggage while also offering grips that improve pillion comfort.

SOLO CARRIER

08L71-MLA-J00

Both practical and good looking, this carrier is a great addition for solo riders. To be mounted instead of the pillion seat.

PRESS RELEASE

From one Rebel to another?

Since 2013, The Bike Shed London has been a motorcycle exhibition like no other, celebrating the creative culture around the custom bike scene. It is there that Keita Mikura, the Rebel's Project Leader, was inspired to create a new kind of machine for young riders, leaving free space for further customisation. In 2017, the Rebel concept became reality and elevated to another level, thanks to the vision and the craftsmanship of 2 Brits: Dan Gold, a tattoo artist and Russ Brown, a custom bike builder.

rebel

HEADLIGHT COWL
08R70-K87-A30

This black headlight cowl boosts the tough stance of the Rebel and protects against the wind while riding. Not compatible with the Meter Visor.

FRONT FORK BOOTS SET
08F70-K87-A30

The fork boots have been tested to protect the tubes against scratches and to ease smooth fork motion. Mounted with the fork covers (sold separately), they accentuate the 500 Rebel's unique attitude.

FRONT FORK COVERS SET
08F71-K87-A30

The matt black coating of these front fork covers accentuates the CMX500 Rebel's tough image.

DESIGN & PROTECTION

BLACK CUSTOM RIDER SEAT
08R76-K87-A30ZA

The diamond stitched custom rider seat boosts the unique design of the CMX500 Rebel. Its slim-shaped cushion provides 60mm+ thickness to ensure the rider is comfortable.

TANK PADS
08P70-K87-A30 / 08P71-K87-A30

These rubber-made pads are exclusively designed to fit the tank shape of the CMX500 Rebel and help to protect the paint from scratches. The diamond-cut pattern on the surfaces matches the design of the custom rider seat perfectly (sold separately).

- Centre pad (08P70-K87-A30)
- Side pads (08P71-K87-A30)

METER VISOR

08R74-K87-A30

The meter visor accents the headlight and improves comfort by protecting the rider's upper body from the wind. Not compatible with the headlight cowl.

12V SOCKET

08U71-K87-A30

The 12V socket can be neatly mounted beside the meter and thanks to its rubber cap, no unwanted objects can enter it.

ADJUSTABLE BRAKE LEVER

08U70-K87-A30

By selecting 1 of the 5 pre-set positions, this black aluminium brake lever is adjustable to the rider's preference.

COMFORT ▲

LEFT AND RIGHT SADDLEBAGS WITH SUPPORT

08ESY-K87-BAGS / 08ESY-K87-BAGL

Made of a sturdy and lightweight ballistic nylon, these saddle bags add an extra layer of practicality to your CMX500 Rebel. They can be attached/detached in one touch for added convenience thanks to the included three-point adapter. Equipped with a waterproof inner bag and easy to carry, these saddlebags are a must-have for everyday use.

- Left side / 14 Litre capacity (08ESY-K87-BAGL)
- Right side / 10 Litre capacity (08ESY-K87-BAGS)

REAR CARRIER

08L70-K87-J80

The Rear Carrier allows you to carry extra luggage while also offering grips that improve pillion comfort. Required for the installation of the Pillion Backrest (sold separately).

PILLION BACKREST

08R73-K87-A30

Thanks to its double-density cushion, the backrest improves comfort for your pillion. Must be combined with the Rear Carrier for installation (sold separately).

GOLD WING / GOLD WING TOUR

**NEW
MODEL**

When long-distance motorcycling became a reality

Honda's Gold Wing is one of the most iconic names in biking history. Revealed back in 1975, the Gold Wing became synonymous of long-distance motorcycling through the years. The world's longest motorcycle ride, spanning 10 years, 279 countries and a total distance of 457,000 miles (735,000 km) was achieved by an Argentinian rider on a 1980 Honda Gold Wing GL1100.

Source: Scotto, Emilio (2007),
The Longest Ride: My Ten-Year 500,000
Mile Motorcycle Journey,
MotorBooks/ MBI Publishing
Company, ISBN 9780760326329

TRUNK LIGHTS KIT
08ESY-MKC-LED21

This kit includes all the accessories needed to mount the Inner Lamp and the LED Stoplight when the trunk is installed on the Gold Wing.

CHROME TRUNK RACK
08L70-MKC-M60

Chrome-plated steel Rack with rubber inserts to be installed on the Trunk of the Gold Wing. Adds a premium touch while also providing some carrying capacity. Maximum load weight: 2.3Kg

ADD TRUNK KIT
08ESY-MKC-L30ZC

Includes all the accessory needed to install a trunk on a Gold Wing. Providing 50 litres of storage capacity, this trunk is available in Pearl Deep Mud Gray to match the body of the bike.

REAR CARRIER KIT
08L70-MKC-C40

The Rear Carrier Kit can be installed on the Gold Wing without a trunk. With its black finish with rubber inserts, it adds style and functionality. Maximum load weight: 3kg

TRUNK LID ORGANISER
08L78-MKC-A00

Helps to keep your trunk organised with convenient storage pockets for smaller items.

LUGGAGE

TRUNK INNER BAG
08L00-MKC-A00

Abrasion-resistant ballistic nylon trunk liner that makes packing easier and protects your belongings when travelling. Features reinforced carry handles, shoulder strap, easy-access outer zip for in-trunk use and Gold Wing logo zipper pulls.

SADDLEBAG INNER BAG
08L01-MKC-A00

Nylon saddlebag liner that makes packing easier and helps to protect your belongings while riding. Features reinforced carry handles and Gold Wing logo zipper pulls.

REAR TRUNK MAT
08P04-MKC-L00

Plush premium-quality carpeting with slip-resistant backing, embroidered with Gold Wing logo.

SADDLEBAG MAT
08P01, 08P02 or 08P03-MKC-A00

Plush premium-quality carpeting with slip-resistant backing, embroidered with Gold Wing logo.

- Right side (08P02)
- Left side (08P01)
- Left side with amp (08P03)

FRONT LED FOG LIGHTS

08ESY-MKC-FLK18

This pair of adjustable, bright white LED Fog Lights Increases the rider's visibility and makes them more noticeable for the surrounding traffic. Delivers 880 Lumens and features a hard-coated lens. Waterproof connectors included.

TALL WINDSCREEN

08R71-MKC-ED1

225mm and 100mm longer than the Gold Wing and Gold Wing Tour windscreens respectively, the tall windscreen helps to provide added protection from the elements.

UPPER AIR DEFLECTORS

08R72-MKC-A01

By funnelling the airflow away from the rider's upper body, this set of deflectors improves comfort and match seamlessly with the Gold Wing's styling.

LOWER AIR DEFLECTOR

08R73-MKC-A01

By funnelling the airflow away from the rider's legs, this set of deflectors improves comfort and match seamlessly with the Gold Wing's styling.

WIDE RIDER FOOTPEGS

08R72-MKC-AE0

Pair of wider than standard footpegs increasing comfort the rider, especially during long-distance touring.

COMFORT

PASSENGER BACKREST

08R70-MKC-A10

Custom-styled, high-quality backrest with an embossed Gold Wing logo that helps keep your pillion as comfortable as possible. Only suitable for Gold Wing models without a trunk fitted.

RIDER BACKREST

08R75-MKC-A01

High-quality backrest with an embossed Gold Wing logo. It provides extra comfort to the rider and tilts forward to ease pillion access. Not compatible with the Custom Seat.

CUSTOM SEAT

08R70-MKC-C00 / 08R76-MKC-A00

The custom seat features an exclusive stitching pattern with an embossed Gold Wing logo. Provides plush seating and a taller rider backrest for added support and increased comfort. Not compatible with Rider Backrest accessory.

2 versions available:

- for Airbag version (08R70)
- for non-Airbag versions (08R76)

PASSENGER ARMREST

08R70-MKC-L00ZB

Increase your pillion's comfort with these armrest extensions which are designed to allow the sound of the rear speakers to pass through uninhibited.

TALL PASSENGER GRAB RAILS

08R70-MKC-AFOZA

Designed for the pillion who prefers taller grab rails, allowing them to be reached easier than standard. These grab rails also provide further space for hooks securing items to your Gold Wing. Applies to Gold Wing DCT / Gold Wing.

DCT FOOT SHIFTER KIT

08V70-MKC-A00

A complete kit enabling you to change gear in the traditional 1 down - 5 up format on DCT Models using a left foot-shift lever. Works alongside the handlebar triggers with the possibility to use either at any time.

For DCT Version only.

REAR SPEAKER KIT

08ESY-MKC-RR21

Pair of 25-watt speakers expanding the audio system of a no-trunk version. The Rear Speakers are installed in the saddlebags of the Gold Wing. Hardware and wires included.

POWER AMPLIFIER KIT

08ESY-MKC-AMP21

Set of 4" speakers with amplifier specifically designed to provide clean and crisp music for the ultimate audio experience on the road.

PASSENGER AUDIO SWITCH KIT

08A70-MKC-L00

Convenient audio control switch that allows your passenger to adjust the volume, source and track.

FRONT CALIPER COVERS

08F73 or 08F74-MKC-A00

Add some styling and additional cooling airflow to your front callipers with these covers.

2 colours available:

- Chrome (08F73)
- Black (08F74)

CHROME SIDE STAND

08M70-MKC-A00

A Chrome-plated Side Stand to add an additional touch of style to your Gold Wing.

AUDIO SYSTEM & ELECTRONICS

MAINTENANCE ▼

AUXILIARY CORD

08A87-MKC-A00

This connector allows you to charge or power a device and connect a digital storage device to your Gold Wing's audio system. To be installed inside the trunk or left saddlebag.

12V ACCESSORY SOCKET

08U79-MKC-A00

Power or charge electrical equipment using this convenient 12V Socket that provides 2A.

MAIN STAND

08M71-MKC-A00

The Main Stand allows for more secure parking on a variety of surfaces and assists with maintenance.

COVER FOR TRUNK TYPE

08P71-MKC-A00ZD or ZE

Water-resistant, 300 denier fabric with a soft inner lining that allows the bike to dry while covered. Protects paintwork against UV related fading. Storage bag included.

2 colours available

- Gray (ZD)
- Black (ZE)

CYCLE COVER FOR NO-TRUNK TYPE

08P71-MKC-A10

Water-resistant, 300 denier fabric with a soft inner lining that allows the bike to dry while covered. Protects paintwork against UV related fading. Storage bag included. Available in Black for no-trunk Gold Wing.

HONDA TECHNOLOGY

AIR BAG

A tank-mounted air bag – unique in motorcycling – is designed to deliver an extra level of safety, and peace of mind to the rider.

ANTI-LOCK BRAKING SYSTEM

Reduces braking pressure by monitoring the wheel speed, preventing the wheels from locking up.

COMBINED BRAKE SYSTEM

Actuates both front and rear brakes when the rear brake pedal (or lever) is engaged, for a smooth and confident balance of braking control.

DUAL CLUTCH TRANSMISSION

Combines the riding enjoyment of a manual transmission with the convenience of an automatic, delivering enhanced comfort and sporty performance.

EURO 5

Complies with EURO 5 emissions regulations.

HONDA EVOLUTIONAL CATALYSING SYSTEM

Oxygen-sensing system maintains an optimal air/fuel mixture for the most effective catalytic reduction of exhaust emissions.

HONDA IGNITION SECURITY SYSTEM

Only allows the bike to be started by its original encoded keys to effectively protect against theft.

HONDA SELECTABLE TORQUE CONTROL

If the Honda Selectable Torque Control (HSTC) system senses an imminent loss of rear wheel traction it reduces torque to allow the tyre to grip. Multiple levels are selectable according to riding mode or user preference.

HILL START ASSIST

After stopping on an incline an extra squeeze of brake maintains hydraulic pressure to the rear caliper – when it's time to move simply open the throttle.

WHEELIE CONTROL

The IMU measures the pitch angle and, combined with front and rear wheel speed, manages the amount of height the front wheel gathers relative to the level of intervention selected. Level 1 is minimum Wheelie Control, level 2 medium and level 3 maximum. Wheelie Control can also be switched off completely.

Honda has developed and applied many innovative technologies for its motorcycle range, designed to have the greatest possible benefit for you and the world around you.

HONDA SMARTPHONE VOICE CONTROL SYSTEM

Bluetooth connectivity for easy management of navigation, calls, messages and music whilst riding. Available with Android™ devices only.

LED LIGHTS

Brighter and more energy efficient than traditional bulbs, with no time delay and a longer life.

PROGRAMMED FUEL INJECTION

Map-type computerised system maintains strong power and responsive performance in all conditions.

REVERSE GEAR

Getting the Gold Wing into – or out of – wherever you want it is made effortless by the addition of an easy-to-use reverse gear.

SMART KEY

This innovative technology improves both convenience and security. As long as your key is in your pocket or bag, you can release the seat and start the engine with the press of a button.

RIDING MODE SELECT

Each riding mode adjusts parameters of the motorcycle for example: power output; level of engine braking; suspension damping, ABS and HSTC.

RADIAL MOUNT CALIPERS

Offers better alignment to the disc and rigidity. Radial-mount calipers are secured and supported at both ends providing less caliper flex and better braking performance.

USB CHARGING

We've subtly integrated a USB socket into the under-seat storage compartment. No need for an adaptor; simply connect your device's lead, plug it in, and go.

TFT DISPLAY

Full colour TFT screen to control riding modes, along with other bike parameters. Displays key information such as Gear Position indicator and rev counter.

LCD DISPLAY

Sharp and clear information and warning lights presented in a rich and easy to read display.

HONDA DCT DUAL CLUTCH TRANSMISSION

DCT is an automated clutch and shift operation system that retains the direct acceleration feel of a manual transmission with the ease of use of an automatic. DCT allows the rider to focus on accelerating, turning and braking, rather than gear shifting. This increases confidence and control for the rider. DCT technology takes the joy of riding and controlling your machine to the next level.

FREEDOM

Ride without concerning yourself with the clutch lever and shift pedal, for smooth and seamless gear changes.

2 AUTOMATIC MODES

S -Sport- For a more sporty driving style.
D -Drive- For relaxed city and highway driving.

CONTROL

Switch between auto and manual mode to suit any riding environment. Eliminate shift shocks like an expert biker.

1 MANUAL SELECT MODE

MT, with change of gear via left hand.

G SWITCH*

Improves rear wheel traction when off-road.
*Only for Africa Twin & X-ADV

DREAMS REALLY DO COME TRUE

Soichiro Honda said,

“There are qualities which lead to success. Courage, perseverance, the ability to dream and to persevere.”

Honda's philosophy in dreaming of a better world for people catalysed the invention of the ASIMO, HondaJet, NSX and the legendary Africa Twin. Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems. It takes independent thinking and audacity to pursue dreams. It also takes passion and innovation to never allow the dream to die and to shape them into a reality for the modern-day world.

The specific details of this brochure do not apply to any particular product supplied or offered for sale. Manufacturers reserve the right to vary specifications, including colours, with or without notice at such times in such manner as deemed appropriate. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult your Dealer for details regarding the specifications of any featured product. This publication shall not constitute - under any circumstances whatsoever - an offer by the Company to any individual. All sales are made by the Distributor or Dealer subject to and with the benefit of the standard Conditions of Sale and Warranty provided by the Distributor or Dealer, copies of which may be obtained upon request. While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specific details with the supplying Dealer, especially if a selection is dependent upon one of the features advertised. Please contact your local dealer for information and specifications. Please note that the fuel consumption figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors. You accept that if you do go ahead and make a purchase or enter into any kind of transaction, whether for payment or not, you did so entirely in reliance on your own skill and judgement and not on that of anyone else.

RIDE WITH STYLE Read the owner's manual thoroughly. Get to know your machine and its capabilities. Concentration assists anticipation. Observe other road users' movements. Brake in plenty of time. Always wear a helmet and quality kit, ride fit and NEVER after drinking alcohol. Good roadcraft and courtesy identify the skilled and stylish rider. Honda endorse the law that all helmet visors must comply with BS 4110. Visors that transmit less than 50% of visible light cannot legally be used on the road.
