Whether producing printed phone covers, mugs, mouse mats, t-shirts or cushions, the SC-F500 offers fast turnaround times, reliability and a low total cost of ownership (TCO) to small businesses, requiring no specialist knowledge to set up, operate or maintain. To keep businesses agile and responsive to customer needs, this dye-sublimation printer has been built with ease of use, productivity and efficiency in mind.

Flexibility of applications

The SC-F500 has been designed to expand business opportunities with high-quality printing on a wide range of gifts and promotional goods.

Enhanced productivity

Epson's refillable ink solution (140ml ink bottles) makes refilling an easy, non-specialist operation; you can even refill while printing. This enables business to keep running for longer, thereby reducing any downtime.

Easy to use

Epson's technologies are simple to use and highly intuitive. It boasts a 4.3-inch touchscreen, Wi-Fi connectivity and automatic media changeover functionality, which make printer usage and maintenance a non-specialist activity.
