SureColor SC-F6300 (hdK)

Produce high-quality printed textiles and promotional goods with this low-maintenance dye-sublimation printer

The SureColor SC-F6300, 44-inch, dye-sublimation printer has been developed for textile producers, promotional goods businesses and photographic studios. It boasts a low TCO thanks to improved user productivity and reduced downtime.

Productivity
Easy user access and printhead maintenance minimise the need to call an engineer. This reduction in downtime and easy maintenance access keep your business running more efficiently. The enhanced specification of key parts increases product life and ROI

Ease of use
Quicker start-up from delivery. No special tools or specialist knowledge required. The out-of-the-box, easy start-up approach, gets businesses up and running as quickly as possible.

Software support
Epson offers an impressive suite of bundled software that's relevant to the needs of your business, this includes: Epson Edge Print RIP Software, Epson Edge Dashboard Support (EMX profiles), and Epson's LFP Accounting Tool. These provide the most appropriate level of software support to help businesses run even more efficiently, and better analyse costing and profitability.

Complete package
We offer users the end-to-end production package, for their peace of mind and convenience. The complete solution includes: hardware, software, printhead, ink, sublimation papers, warranty, and an optional take-up reel to ensure everything works in harmony.

KEY FEATURES

- **Complete Epson solution**
  Hardware, software, printhead, ink and sublimation paper
- **Easy installation**
  Special tools and specialist knowledge are not required
- **Optional take-up reel**
  The optional Epson take-up reel offers more control of take-up quality
- **Product durability**
  The enhanced specification of key parts increases product life and ROI
- **Low TCO**
  Easy user access and downtime reduction
