

FARMSHOP

IN 8 & 10 TONNE

CASHELS TRAILERS

Cashels Multi-Purpose Drop-side Trailers

5mm thick steel deck (wraps around the edge so there's no seam)

Tailgate hung 800mm high, along with a 400mm gap from the top of the tailboard to the hinging point, creating a maximum gap of 1200mm

500mm High Tailgate (double braced for extra strength)

Hydraulic tailgate release & shut

500mm High Sides (in halves, easy to remove)

650mm High Headboard (can also be used as a deck extension when folded down)

Hydraulic brakes

Quick hitch stand

Swivel towing eye

Cashels Multi-Purpose Drop-side Trailers have been developed to cater for general everyday haulage work. Built with quality and strength in mind, these trailers are designed for transportation of sand, gravel, topsoil, fertiliser, grain etc.
