

Template for Chinese New Year Red Envelope

Directions:

Print out template on regular 8.5" x 11" paper

Place on top of OAS red banner paper or any other paper you wish to use to make your Envelope.

Cut around the solid outline edges to cut this shape of the envelope out of you red banner paper.

Paint whatever design you wish on the Back of Panel B (this will be the front of your red envelope). You can also paint on the back of Panel A (the back of the red envelope). Or for an interest twist paint a larger composition that spans both panels.

To glue the envelope, use a glue stick and after folding Panel A on top of Panel B fold and glue the bottom flap and main flap to Panel A.

Insert money into envelope and fold down the top flap. Do not glue.

Happy New Year!

新年快樂 (Xīnnián kuàilè)!
