FAYENZA GREEN 6X24,6,CLAY STRAW 6X24,6

— FAYENZA

In the Renaissance era, potters in the Italian town of Faenza introduced a new way of handling ceramics. Fayenza, a handmade glazed ceramic, owes its name to this city and its ceramic tradition. This type of craftsmanship used the handcrafted fine, a technique that was characterized by giving the final products a vitreous effect.

En la era del Renacimiento, los alfareros de la ciudad italiana de Faenza instauraron una nueva forma de tratar la cerámica. La fayenza, una cerámica vidriada artesanal, debe su nombre a esta ciudad y a su tradición cerámica. Este tipo de artesanías utilizaban la loza fina, una técnica que se caracterizaba por otorgar un efecto vítreo a los productos cerámicos.
