

## — Twist

A collection of rectified white body wall tile in an impressive 40x120 cm format. The base of Twist shows a unique surface that stands out for its relief full of tactility. Its structure is a blend of 'trowel effect' formwork and a bush-hammered finish typical of stones. The result is a totally original material with a matt textured finish. A trendy design which is, however, beyond short-term fads.

Una colección de revestimiento en pasta blanca rectificada en un espectacular formato 40x120 cm. La base de Twist presenta superficie inédita que destaca por su relieve lleno de tactilidad. Su estructura es una combinación entre un encofrado espatulado y un acabado abujardado propio de la piedra. El resultado es un material completamente novedoso, con un acabado texturizado mate. Un diseño de pura tendencia, pero resistente a las modas pasajeras.
