Muscle Relaxation at Its Finest!

MuscleRelax™ is a potent formula designed to **promote muscle relaxation in the back and support spinal health**. In addition to popular ingredients in back care science such as Devil's Claw and Willow Bark Extract, it also includes OptiPEA®, a type of fatty acid amide, proven to be effective in relieving back discomfort. MuscleRelax™ further improves nerve function with the addition of L-serine and Magnesium.

Musculoskeletal conditions are a major cause of disability globally, and out of all these conditions, low back pain is the primary cause of disability in 160 countries.

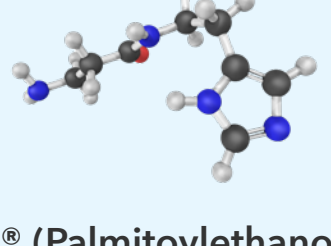

About 80% of Adults Suffer From Low Back Pain

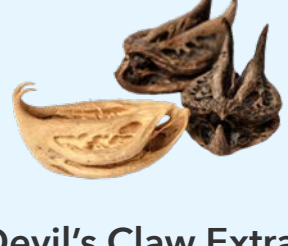

US Clinicals® MuscleRelax™
Provides your muscles with the essential vitamins and nutrients they need.

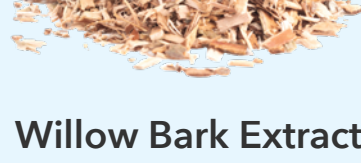

Featured Ingredients

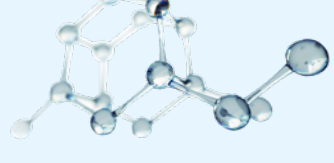

OptiPEA® (Palmitoylethanolamide)
Acts as a natural painkiller, it suppresses inflammation and relieves chronic and neuropathic pain in the lower back.

Devil's Claw Extract
Contains harpagoside, it relieves lower back pain, muscle tenseness in the shoulder, neck, and back and improves mobility for various musculoskeletal conditions.

Willow Bark Extract
Contains salicin, it possesses anti-inflammatory and analgesic properties that aid in relieving lower back pain.

L-Serine
Aids in maintaining nerve function, promoting nerve repair and reducing inflammation.

Vitamin D
Aids in supporting a healthy spine and alleviating chronic neck and back pain, muscle spasms, and muscular tightness in the mid-back and lower back.

Magnesium
It reduces chronic lower back pain that includes neuropathic pain, promotes regeneration of the sciatic nerve, and regulates the inflammatory response. Additionally, it helps to relieve skeletal muscle cramps.
