

NMN Beauty- True Beauty Shines Even Without Makeup!

US Clinicals* NMN Beauty is a scientifically advanced supplement designed to rejuvenate skin from within and enhance overall beauty. This powerful formula features Nicotinamide Mononucleotide (NMN), Ergothioneine (EGT), and Hyaluronic Acid (HA) to support anti-aging, deep hydration, and skin elasticity, helping individuals achieve a youthful glow and long-lasting vitality.

Nicotinamide Mononucleotide (NMN): Restores Firmness and Brightness to Your Skin

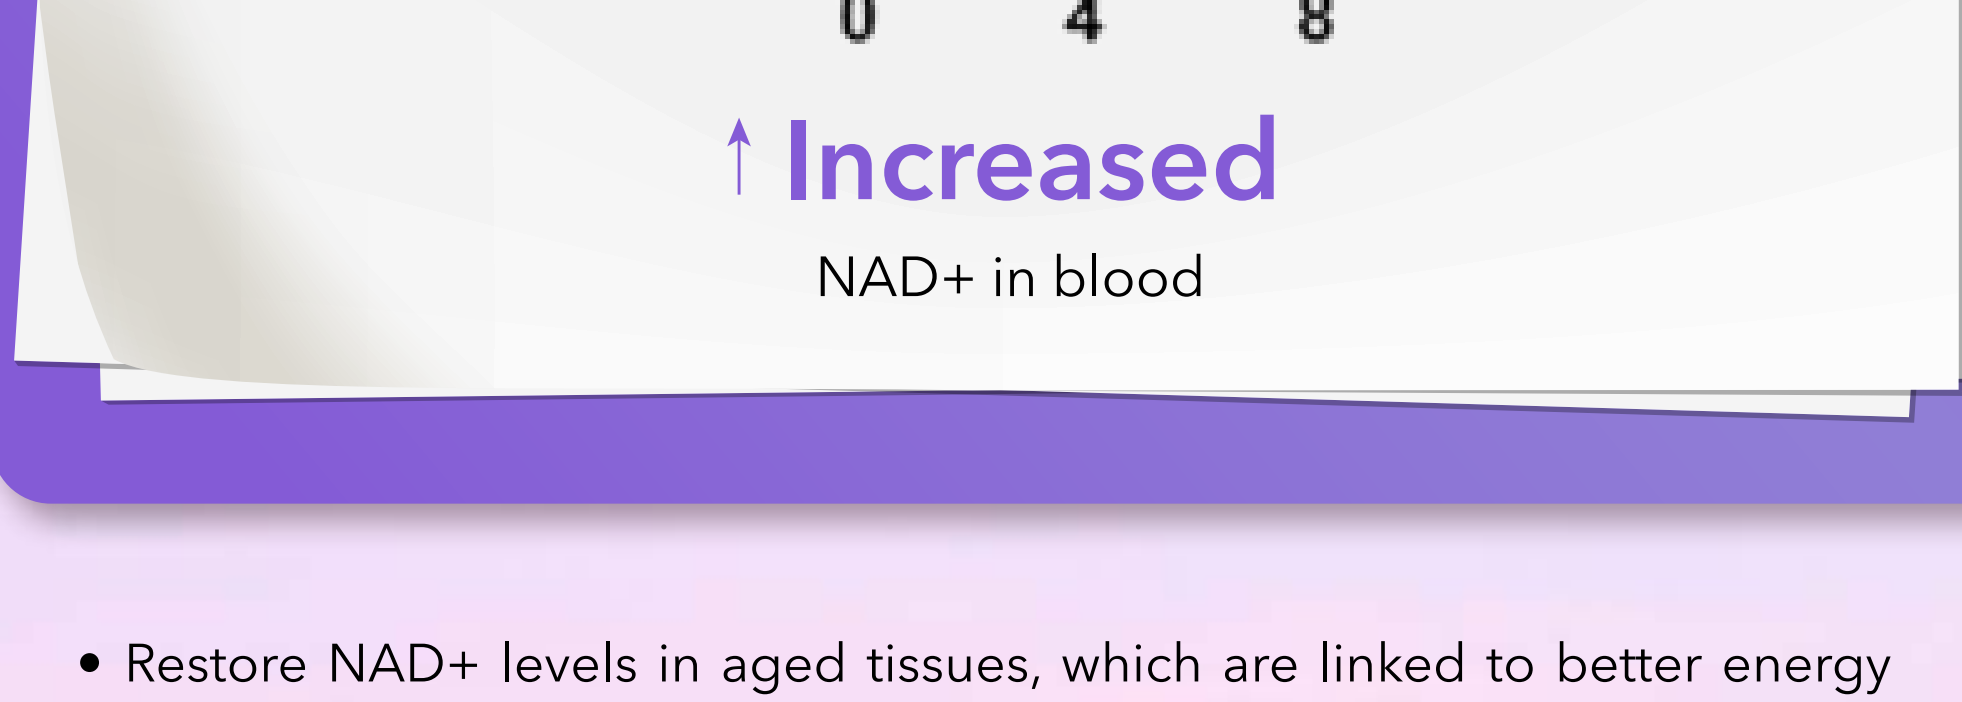

NMN (Nicotinamide Mononucleotide) is a scientifically backed supplement designed to enhance your overall health and well-being. As a precursor to NAD+ (Nicotinamide Adenine Dinucleotide), NMN plays a vital role in cellular repair, metabolic function and skin condition. With age, NAD+ levels decline, leading to reduced energy, slower repair processes, and skin aging.

Supplementing with NMN has been shown to improve metabolism activity, which is critical for energy production and reducing age-related cellular metabolic decline. Taking NMN enhances cellular repair mechanisms, collagen structure, reducing oxidative stress and improving skin elasticity and hydration. By working from within, NMN rejuvenates your skin, leaving it hydrated, firm, and glowing for a more youthful appearance.

Proven Results Backed by Science

Nicotinamide Mononucleotide (NMN) is supported by extensive scientific studies that highlight its potential on skin health.

↑ Increased NAD+ in blood

- Restore NAD+ levels in aged tissues, which are linked to better energy metabolism and cellular repair mechanisms *Nadeeshani et al., 2021
- Protect against UVB-induced skin damage by maintaining collagen structure *Zhou et al., 2021
- Enhance antioxidant defenses and reduce oxidative stress *Zhou et al., 2021
- Improve mitochondrial function *Mills et al., 2016
- Rejuvenate skin *Kiss et al., 2019

Natural Compound

Boosts Cellular Resilience

Age-Related Benefits

Safe and Biocompatible

Other Key Ingredients

Ergothioneine (EGT)

Ergothioneine (EGT) is a naturally occurring sulfur-containing amino acid that acts as a potent antioxidant. Ergothioneine is synthesized by certain bacteria and fungi and is obtained by humans primarily through dietary sources such as mushrooms, beans, and some animal products. Its ability to target areas of high oxidative stress, olds promise to improve skin health and resilience against environmental stressors.

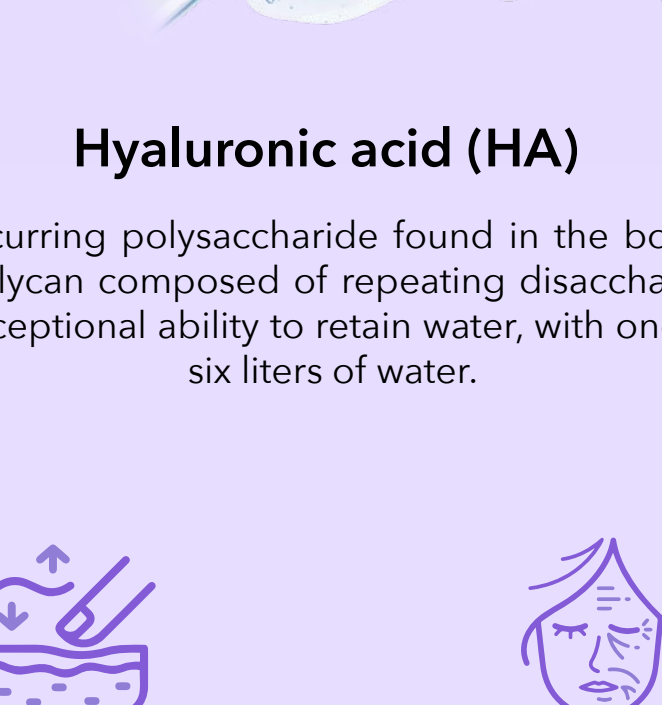

Antioxidant properties

Easily absorbed from the gastrointestinal tract and accumulates in tissue where oxidative stress is common

Highly stable and does not degrade easily

Hyaluronic acid (HA)

Hyaluronic acid (HA) is a naturally occurring polysaccharide found in the body, particularly in the skin, connective tissues, and eyes. It is a glycosaminoglycan composed of repeating disaccharide units of N-acetylglucosamine and glucuronic acid. HA is known for its exceptional ability to retain water, with one gram of HA capable of holding up to six liters of water.

Deep Hydration

Improves skin elasticity

Reduces fine lines and wrinkles

Enhances skin barrier function

Benefits

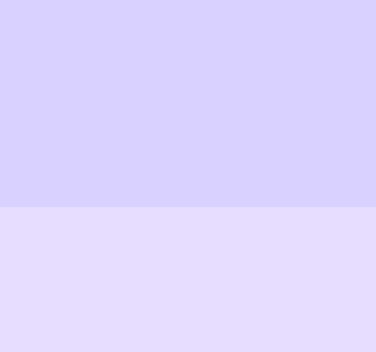

Supports cellular energy and metabolism

Boosts Skin Hydration - Deep moisture retention for radiant skin

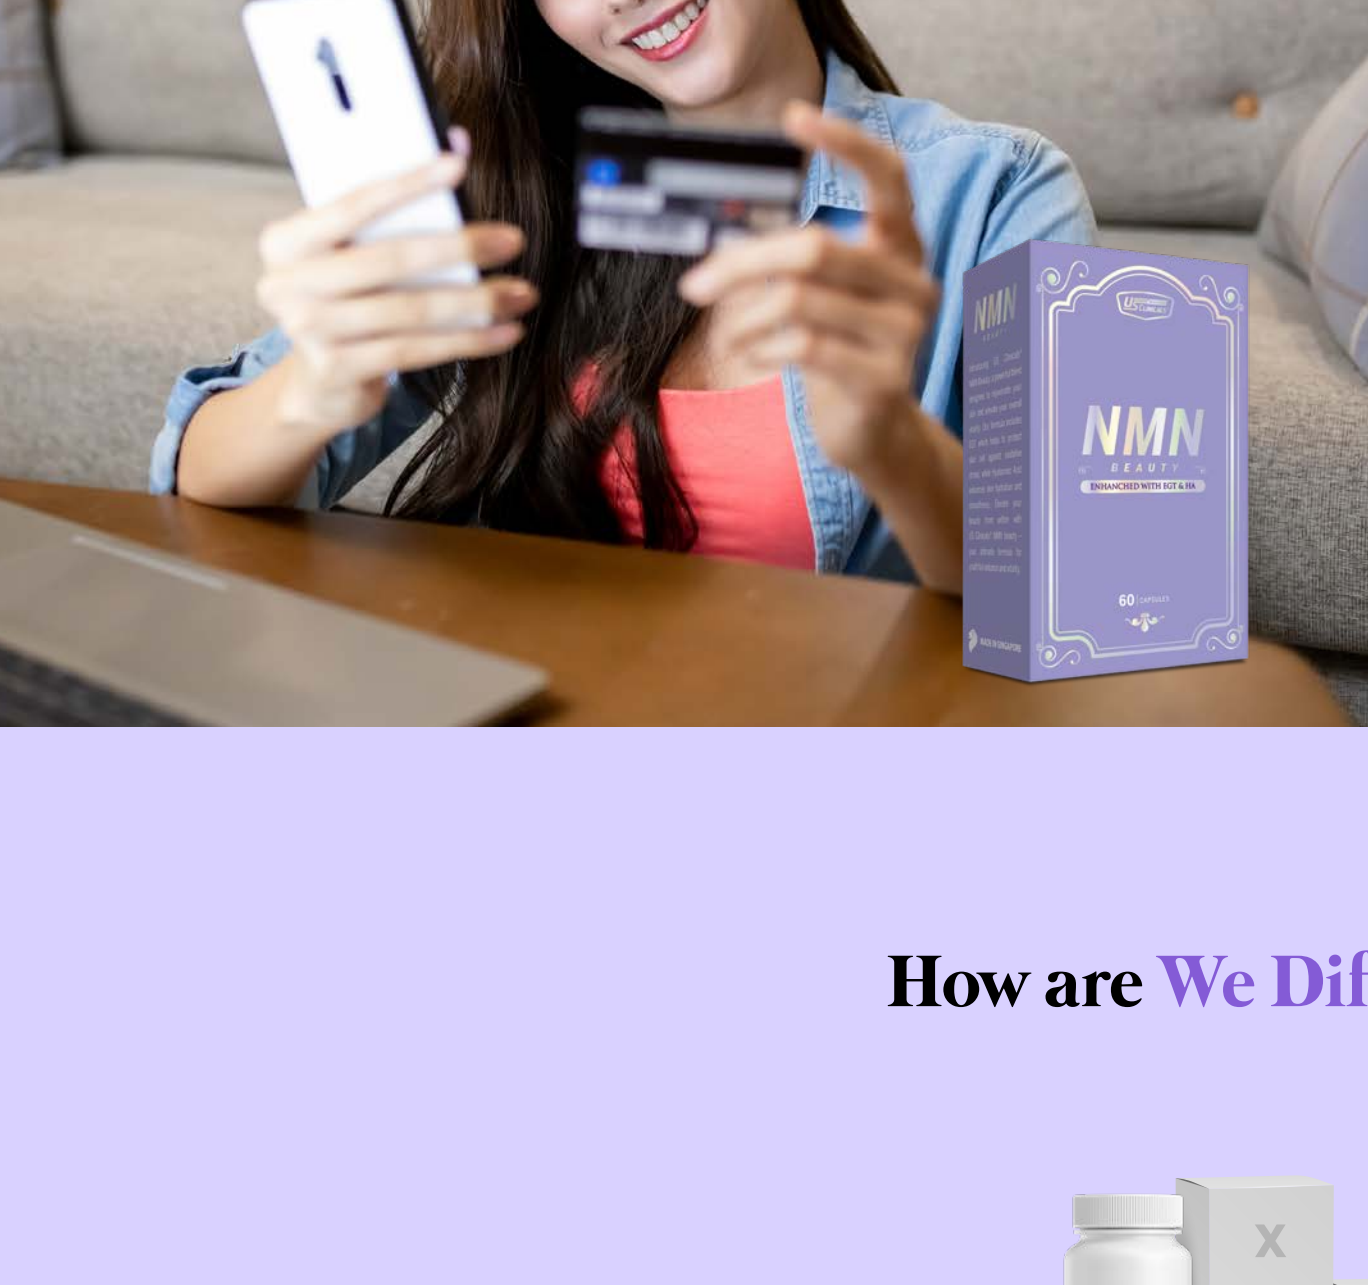

Reduces Fine Lines & Wrinkles - Enhances skin firmness and elasticity

Protects Against Oxidative Stress - Strengthens the skin barrier from environmental aggressors

Promotes Youthful Glow - Supports cellular rejuvenation and collagen production

Glow from Within with NMN Beauty

High Purity NMN

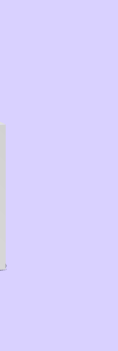

Good Manufacturing Practices

Enriched with EGT & HA

FDA Registered Facility

No Artificial Flavor, Preservative and Color

3rd-Lab Tested for Purity and Safety

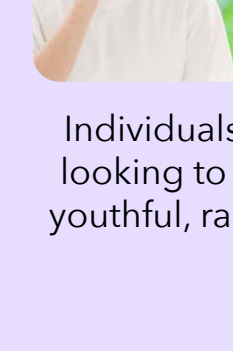

No Sugar added

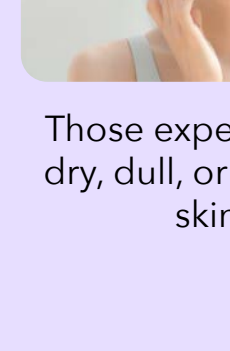

How are We Different from Others?

	Other NMN Supplements	NMN Beauty
Source	Simple/ Few ingredients in low amount	High-purity NMN(450mg), enriched with EGT(25mg) and HA(150mg), to rejuvenate your skin by boosting hydration, improving elasticity, and promoting a radiant, youthful complexion.
Additives	May contain artificial flavors, colors, or preservatives	Free from unnecessary additives, no artificial flavors, colors, preservatives and sugar
Capsule	Hard tablet or gelatin	Easy-to-swallow capsules seamlessly incorporate it into your daily routine without discomfort
Packaging	Basic or bulk packaging	Packaged in aluminum foil for ultimate protection and convenient to carry
Manufacturing	May lack proper certifications	Produced in Trusted Facilities, GMP-certified and FDA-registered facilities
Result	Testing and result unclear	Scientifically tested to ensure purity, safety and efficacy

Who Is It Suitable For?

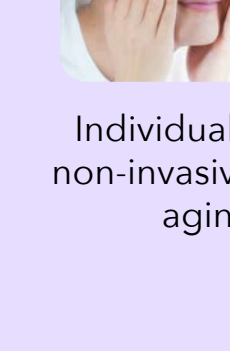

Individuals over 30 looking to maintain youthful, radiant skin

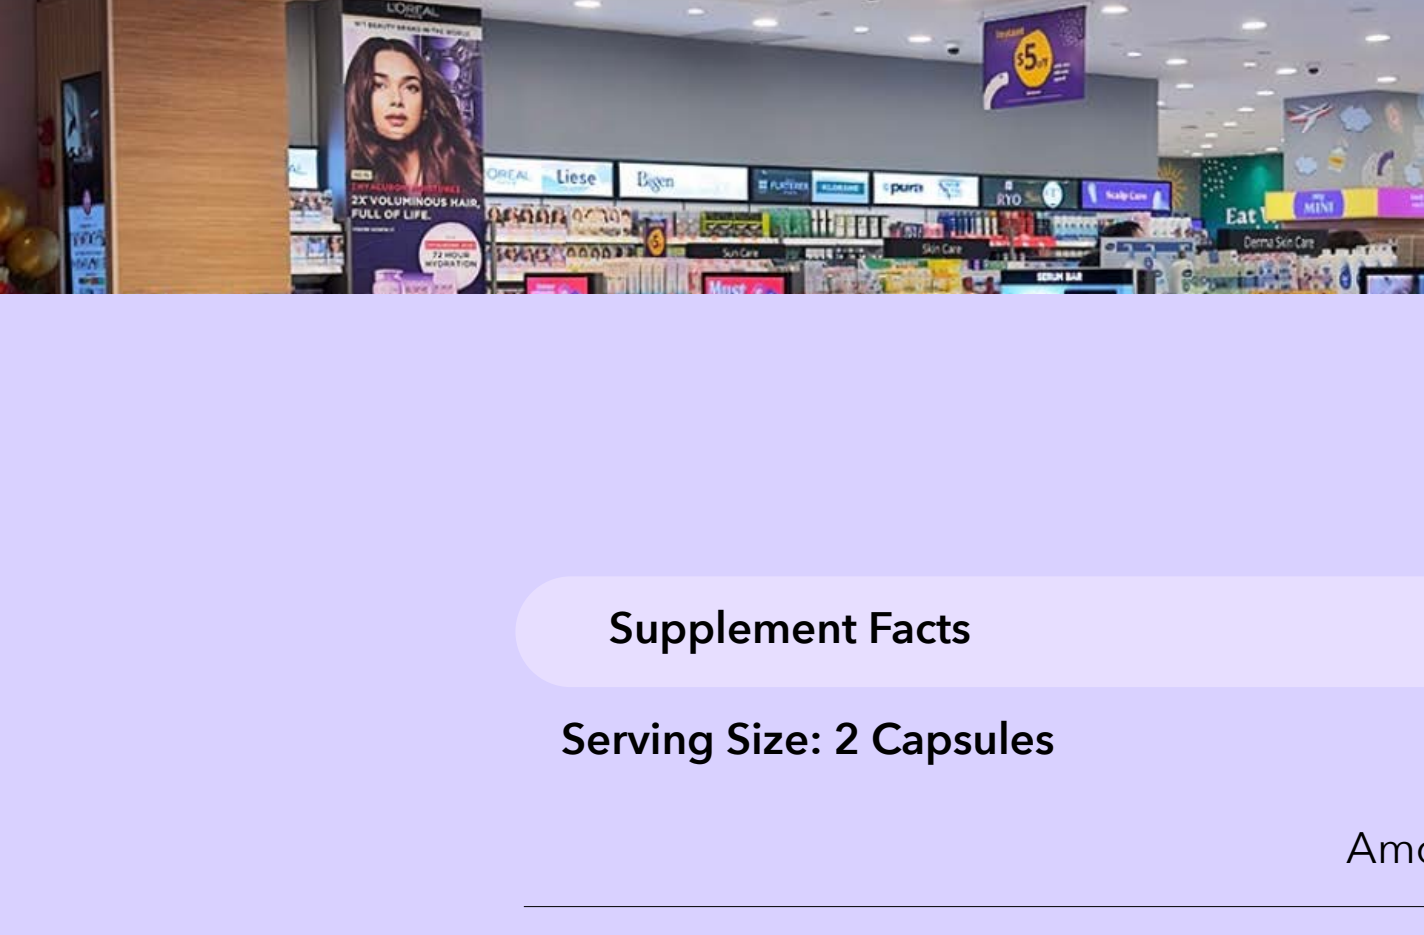

Those experiencing dry, dull, or sagging skin

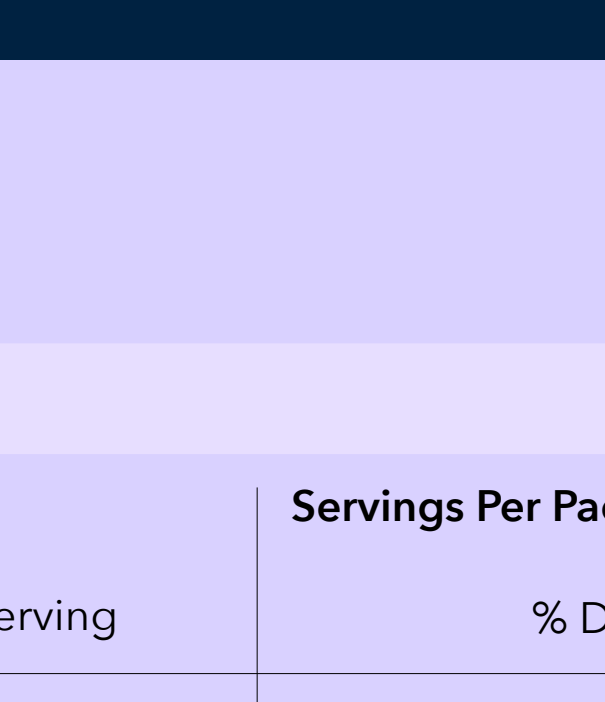

People exposed to environmental stressors such as UV damage

Individuals seeking a non-invasive solution to aging skin

Supplement Facts		
Serving Size: 2 Capsules		Servings Per Package: 30
	Amount Per Serving	% Daily Value
NMN (Nicotinamide Mononucleotide)	450 mg	*
EGT (Ergothioneine)	25 mg	*
HA (Hyaluronic Acid)	150 mg	*

*Daily Value not established

Instructions

Directions of Use:
For adults, take 2 capsules daily. Consume before meals.

Storage:
Store in a cool and dry place. Best consumed within 2 months upon opening the protective seal. Keep out of reach of children.

Precaution:
If you are nursing or pregnant, taking medication or have a medical condition, you should consult your health care specialist prior to using this product.

Made in Singapore.

FAQ

What is NMN, and how does it work?

NMN (Nicotinamide Mononucleotide) is a molecule that boosts NAD+ levels, essential for cellular energy and repair. For the skin, it enhances hydration, elasticity, and collagen production, reducing wrinkles and promoting a youthful, radiant complexion. Additionally, NMN helps combat oxidative stress and protects against environmental damage, revitalizing skin health from within.

Is NMN Beauty safe?

No known side effect has been observed. NMN Beauty are tested and approved to ensure safety, purity and efficacy. It is therefore safe for long-term consumption with the recommended dosage.

How long does it take to see the benefits of NMN Beauty?

You may start seeing improvements in sleep quality, memory, and vision health within a month. However, results may vary for everyone. It is recommended to take NMN Beauty continuously for 1-3 months to achieve the best results.
