

Healthy eye, happy life

Health Begins In The Eye

StrongEye™ Ultimate Eye Care is an advanced formula designed to support eye health. It contains a proprietary blend of 20 clinically researched nutrients such as Lutein, Zeaxanthin, DHA, Vitamins, Minerals, and Amino Acids which support healthy vision. StrongEye™ combines all essential nutrients for healthy eyes into one highly potent and easy-to-take formula!

For Stronger Eyes, Take US Clinicals® StrongEye

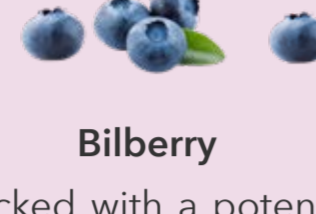

20 Eye Care Nutrients

Natural Vitamins, Minerals & Herbs!
Patented antioxidant formula:
LuteMax™ 2020 (Lutein & Zeaxanthin)

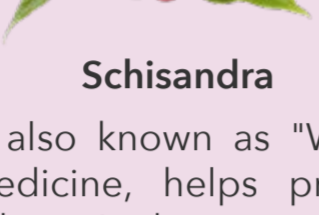

Ingredients

Lutein + Zeaxanthin (Lutemax™ 2020)
Lutein & Zeaxanthin are powerful antioxidants and carotenoids naturally present in the macular region of the retina. They protect the eyes from free radicals, support macular pigment density and visual acuity. They also help to block UV rays and harmful blue light, thereby protecting eye tissues.

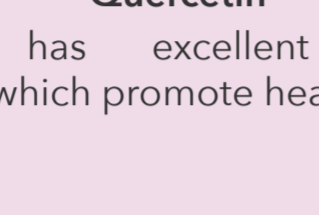

Bilberry

Bilberry is packed with a potent antioxidant called Anthocyanins which helps to promote flexibility in eye capillaries and improve night vision and blood circulation in the eyes.

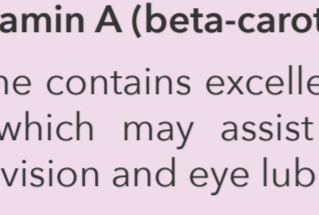

Schisandra

Schisandra, also known as "Wu Wei Zi" in Chinese medicine, helps promote visual acuity and eyes' adaptation to darkness.

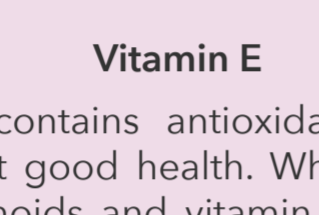

Quercetin

Quercetin has excellent antioxidant properties which promote healthy eyesight.

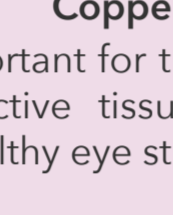

Vitamin A (beta-carotene)

Beta-carotene contains excellent antioxidant properties which may assist good vision, night vision and eye lubrication.

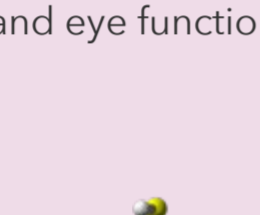

Vitamin E

Vitamin E contains antioxidant properties that support good health. When combined with carotenoids and vitamin C, it helps to support healthy vision.

Copper

Copper is important for the development of flexible connective tissues for supporting healthy eye structure.

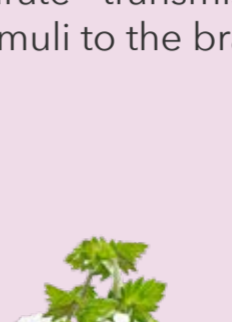

L-Glycine

L-Glycine offers antioxidant protection which may support healthy central nervous system and eye functions.

L-Glutathione

L-Glutathione helps maintains the flexibility of the eye's lens. It also supports healthy circulation to the eye.

DHA

Derived from pure deep sea Salmon fish oil, DHA makes up about 93% of all omega-3 fatty acids in the retina. It also helps to support lubrication of the eyes and support fast and accurate transmission of visual stimuli to the brain.

Eyebright Herb

Eyebright Herb contains antioxidants and astringent properties which help to relieve eye strain.

Wolfberry

Wolfberry, commonly known as Goji berry, is high in antioxidants, specifically carotenoids that are known to support eyesight and protect the retina.

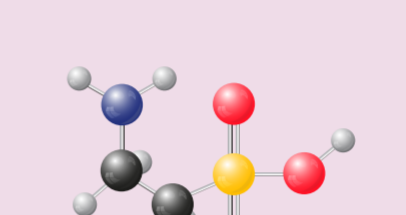

Lycopene

Lycopene is a carotenoid-rich antioxidant that can help to maintain good eyesight.

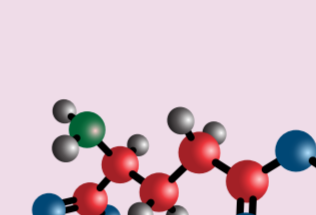

Vitamin C

Vitamin C is a potent antioxidant that helps the eyes maintain sharp and healthy vision.

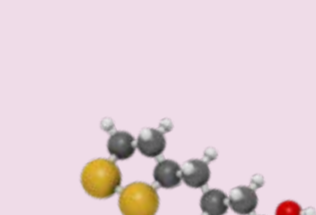

Zinc

Zinc supports healthy night vision and enables Vitamin A to produce an eye-protecting pigment called melanin.

L-Taurine

High concentration of L-Taurine is found in the retina, and it is believed to support healthy eye function.

L-Glutamin Acid

L-Glutamin Acid is the most abundant and circulated amino acid in our body. It plays a key role in metabolic processes in the retina.

Alpha Lipoic Acid

Alpha Lipoic Acid is a potent antioxidant that helps protect the delicate eye tissues.

CoQ10

CoQ10 is a powerful antioxidant essential for energy production and maintenance of healthy vision.

Supplement Facts

Serving Size: 2 Softgels	Amount Per Serving	Softgels Per Container: 60	% Daily Value

How Does It Work?

Promotes healthy eyes & vision

Supports night vision

Supports eye comfort and lubrication

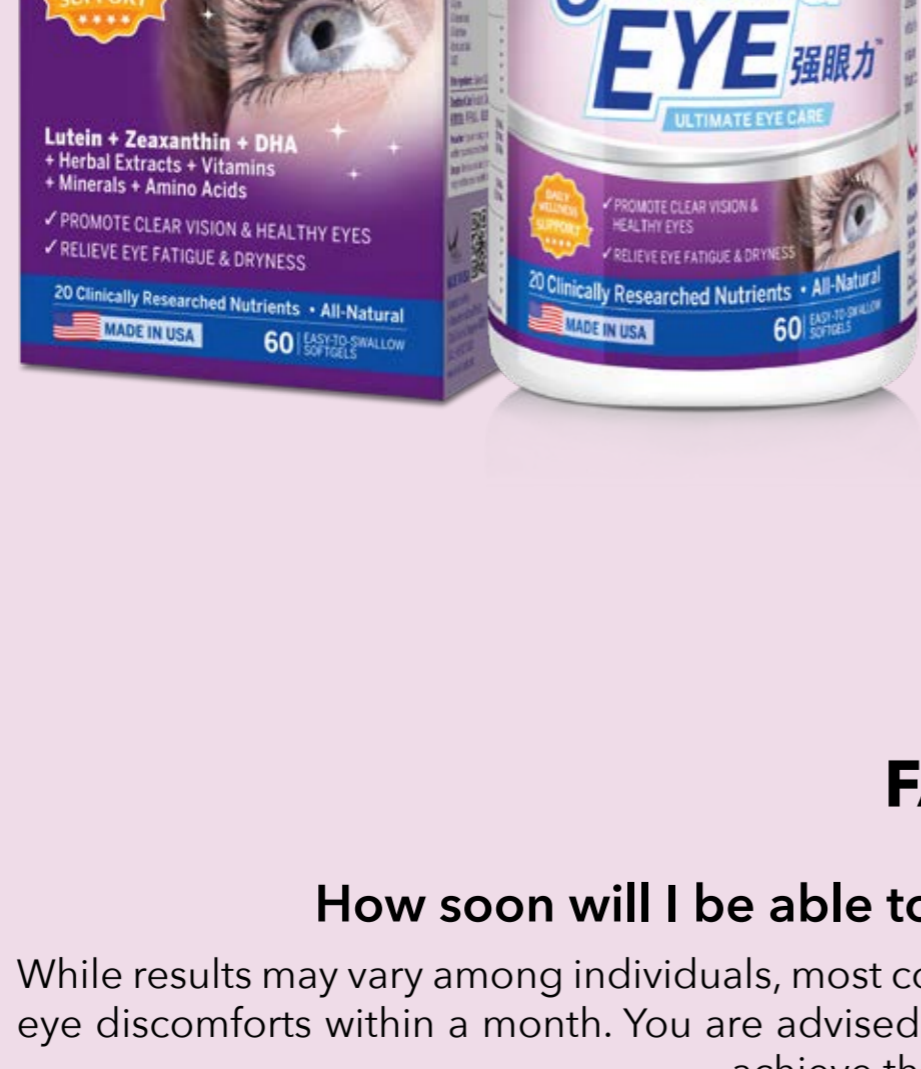

Supports healthy blood circulation to the eyes

Strengthens healthy eye functions

How are We Different from Others?

	Other Eye Care Supplements	StrongEye™ Ultimate Eye Care
Source	Contains a few ingredients, such as Lutein, Bilberry Extracts etc.	Contains 20 clinically researched nutrients, a complete eye care formula with LuteMax™ 2020, Herbal Extracts, DHA, Vitamins, Minerals & Amino Acids.
Capsule	Hard tablet or capsule.	Easy-to-swallow softgel.
Result	Absorption unknown.	High potency.

Instructions

Directions of Use:
For adults. Take 2 softgels daily after meal.

Storage:
Store in a cool and dry place. Once the protection seal is opened, keep refrigerated and best consumed within 2 months. Keep out of reach of children.

Precaution:
If you are nursing, pregnant, taking medication or have a medical condition, you should consult your health care specialist prior to using this product.

Made in USA.

FAQ

How soon will I be able to observe better eye health?

While results may vary among individuals, most could expect to see beneficial effects such as reducing eye discomforts within a month. You are advised to take StrongEye™ consecutively for 3-6 months to achieve the best results.

Will the long-term consumption of StrongEye™ result in any side effects?

No known side effect has been observed. All ingredients in StrongEye™ are tested and approved to ensure safety, purity and efficacy. It is therefore safe for long-term consumption at the recommended dosage.

Should I separate my consumption of StrongEye™ from other medications or caffeine beverages?

Yes, because the acidity in medications and caffeine beverages may affect the efficacy of StrongEye™. You are advised to take StrongEye™ and your medications / caffeine beverages at an interval of 1-2 hours apart.
