Thank You for Your Support!

Special EYECARE COMBO

01 Lutemax® 2020

Consists of 2 antioxidants, Lutein & Zeaxanthin. Naturally derived from corn and marigold flowers. Helps to filter harmful blue light rays.

Patented Ingredient

3mg per serving

02 Astaxanthin

Potent antioxidant with anti-inflammatory properties. Prevents damage to eye cells.

1mg per serving

40x stronger than Carotene
50x stronger than Vit E
6000x stronger than Vit C

Nutritionist's Recommendation

03 Lycopene

Naturally-occurring carotenoid responsible for the red to pink colors found in fruits and vegetables. An antioxidant with anti-inflammatory and protective effects against UV radiation and oxidative damage to eyes.

1mg per serving

04 Bilberry

Not to be confused with blueberries. Bilberries contain anthocyanins, an antioxidant that improves blood circulation to the eyes and aids in night vision.

20mg per serving
Not a blueberry!

05 Vitamin A (Beta-Carotene)

Protects the surface of the eye against bacteria and viruses, reducing the risk of eye infections. Protects against dry eyes and night blindness.

300mcg per serving

+ 06 Zinc

Enables Vitamin A to product eye-protecting pigment: Melanin.

10mg per serving

07 Vitamin B12

Keeps the body's nerves and blood cells healthy. Vitamin B12 deficiency may cause nerve problems and affect the optic nerve.

1mcg per serving

08 Vitamin C

Helps to form and maintain connective tissue, such as the collagen found in the cornea of the eye. Promotes healthy blood vessels like the delicate capillaries in the retina.

20mg per serving

09 Vitamin E

Protects eye cell membranes against free radical damage and reduces the risk of cataracts.

6mg per serving
