## Golden Choice to Neutralize Your Liver Fat!

Liver Fat Neutralizer™ Ultimate Liver Fat Control is a proprietary formula designed to promote liver health by neutralizing the liver fat content in the body. In addition to Milk Thistle Extract, the common liver care nutrient, Liver Fat Neutralizer™ contains a scientific breakthrough proprietary blend - Liver-Saviour™ that helps to optimize liver health by decreasing the accumulation of toxic and lipid droplets in the liver. Liver Fat Neutralizer™ stimulates the body system to protect the liver against free radical damage and promote natural liver detoxification.

## What is Fatty Liver?

Fatty Liver Disease also known as Hepatic Steatosis, is a condition in which fat makes up >5% of the liver's weight.

## Who are at risk?

Insulin resistance

High blood sugar

High levels of fats in the blood

High blood pressure

High cholesterol levels

Overweight or obesity

## Ingredients

### Liver-Saviour™ Proprietary Blend

Proprietary Blend of Proprietary Blend of Centella Asiatica, Eucommia Ulmoides and Genistein (Soybean Extract). Unique blend which helps to maintain healthy liver fat levels and promotes natural liver detoxification.

Centella Asiatica

Eucommia Ulmoides

Genistein (Soybean Extract)

### Milk Thistle Fruit Extract

Milk thistle contains Silymarin, a powerful bioflavonoid that provides antioxidant and anti-inflammatory benefits to the liver. It helps to stimulate protein synthesis in the liver and increase the production of new liver cells to replace damaged liver cells. Milk thistle can also help to increase the liver's detoxification capacity by increasing its glutathione levels.

### L-Glutathione

L-Glutathione can help to neutralize oxygen molecules before they can damage cells. It can also protect the body against damage from cigarette smoke, alcohol, radiation, heavy metals, and drugs.

### Choline

Choline is an essential nutrient needed by the nervous system to produce a neurotransmitter - Acetylcholine which helps to regulate healthy fat metabolism in the liver.

Made in Singapore.

## FAQ

### How soon will I be able to see results?

Results vary among individuals. You are suggested to take Liver Fat Neutralizer™ consecutively for 3-6 months to achieve best results.

### Will the long-term consumption of Liver Fat Neutralizer™ result in any side effects?

No known side effect has been observed. All ingredients in Liver Fat Neutralizer™ are tested and approved to ensure safety, purity, and efficacy. It is therefore safe for long-term consumption at the recommended dosage.

### Should I separate my consumption of Liver Fat Neutralizer™ from other medications or caffeine beverages?

Yes, because the acidity in medications and caffeine beverages may affect the efficacy of Liver Fat Neutralizer™. You are advised to take Liver Fat Neutralizer™ and your medications/caffeine beverages at an interval of 1-2 hours apart.
