- Strengthens body against infections

### Instructions

**Direction of Use:** For children below 4 years old, take 1 tablet daily. For children 4 years old and above, take 2 tablets daily. Tablet can be crushed and mixed into beverage or food.

**Storage:** Store in a cool and dry place. Once protection seal is opened, keep refrigerated and best consumed within 2 months. Keep out of reach of children.

**Precaution:** If you are taking medication or have a medical condition, you should consult your health care specialist prior to using this product.

Made in USA.

### FAQ

#### How soon will my kids be able to see improvements in their immune health?

While results vary among individuals, most would expect to see beneficial effects such as falling ill less often. Your child is recommended to take StrongImmune™ Kids consecutively for 3-6 months to achieve the best results.

#### Will the long-term consumption of StrongImmune™ Kids result in any side effects?

No known side effect has been observed. StrongImmune™ Kids does not contain hormones and all ingredients are tested and approved to ensure safety, purity and efficacy. It is therefore safe for long term consumption at the recommended dosage.

#### Should my child take StrongImmune™ Kids separately from his/her medications or any caffeine beverages?

Yes, because the acidity in medications and caffeine beverages may reduce the efficacy of StrongImmune™ Kids. It is advisable to take StrongImmune™ Kids and other medications/caffeine beverages at an interval of 1-2 hours apart.
