ADVERTISING (MAP) POLICY

Authorized Dealers may sell the products at any price at their sole discretion. GeezerEngineering® believes that marketing products bearing the GeezerEngineering® trademark at a price other than the suggested retail price ("MSRP") undermines the industry reputation and market value of the products. Therefore, GeezerEngineering® does enforce this MAP policy. To protect the pricing integrity of GeezerEngineering® product, all items advertised anywhere outside of a retail location, including the internet, must be listed at a price no less than our MSRP as published on our website www.geezerengineering.com or on published price lists published by GeezerEngineering®. GeezerEngineering® reserves the right to change and amend prices from time to time. Any priced advertisement of GeezerEngineering products by an Authorized Dealer in any media must be no less than our current MSRP as indicated on the GeezerEngineering® website. Any advertised price for GeezerEngineering® products that does not match the above will be a violation of this MAP policy. Internet auctions for GeezerEngineering® products may not display prices below the current MSRP. Pricing listed on an Internet site is considered an "advertised price" and must adhere to this MAP Policy. Statements such as "we will match any price", "call for price" or similar phrases are acceptable as long as they make no specific reference to GeezerEngineering® products. Discounts or coupon codes applied at checkout to the customer's entire order based on customers purchasing history with the Reseller, such as discounts for "frequent shoppers" or special event/holiday sales or promotions do not violate this MAP Policy.

GeezerEngineering® reserves the right to offer promotions for limited periods of time on certain products, and/or to authorize pricing not equaling MSRP for any or all of its Dealers. We reserve the right to determine the duration of such promotions.

In case of violation of the agreed terms of our MAP policy we reserve the right to terminate the Dealer Agreement immediately. The administration of this MAP Policy and any determinations made under it are solely within GeezerEngineering® discretion and authority.
