FOLDING INSTRUCTIONS

1. Cut away all four outside white edges of the print with a ruler and X-acto knife.

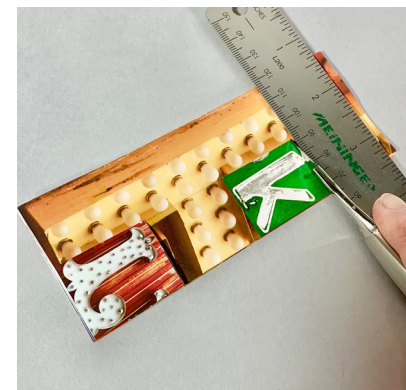

2. Fold strip into a 16 section concertina.

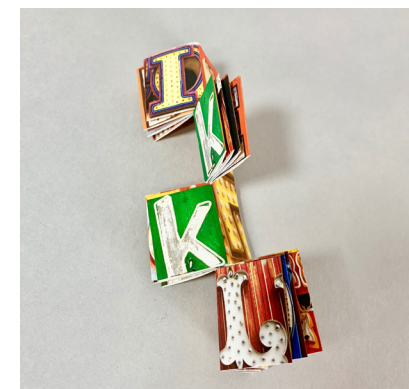

3. Refold into an 8 section concertina.

4. Flatten and divide into 4 equal parts. Cut slits at the tops and bottoms of the letters. Cut through all 4 layers. Start at the middle fold and cut to the outside 3 times.

5. Fold and sharply crease 2 loops backwards and 2 loops forwards. Tuck loops between concertina folds.

6. Gently pull the concertina apart to create finished book. Note: You may pull the concertina all the way apart and wriggle it back into shape with the loops closed.
