

Silver Spas 

SPA LIFESTYLE

When relaxation, your own health, wellbeing and fun with your family become part of your weekly routine, your life is enriched for the better.

Making a spa or swim spa the centrepiece of your backyard will open up a world of amazing outdoor entertainment, buzzing family gatherings and enhanced unwind time. Create an atmospheric experience designed to suit your ideal lifestyle with a Silver Spa.

RELAX & UNWIND

If pure luxury is what you desire, making a spa part of your life is the discerning choice. Bring the ultimate in indulgence into your own backyard with a Silver Spa.

Whether it be a specific seating configuration, hydrotherapy experience, or perfectly temperature controlled, purified water - the ideal spa experience is a Silver Spa!

THE SILVER SPAS DIFFERENCE

HIGH-GRADE MANUFACTURING

At Silver Spas, we use only the very best parts and components from around the world. To provide high quality, full featured affordable spa pools, all of our spas feature low speed filtration & Ozone water treatment for economic water care, complete with 4 points of insulation (Shell, Cabinet, Base & Cover) for maximum efficiency. Premium features include further luxuries of lighting, waterfalls and in built Bluetooth speakers on our PLUS models to offer the ultimate in spa relaxation.

STRUCTURAL WARRANTY

All Silver Spas come with a comprehensive range of warranties, including a 5-year shell structure warranty, a 2-year warranty for shell surface and control system/heater/pump, and a 1-year warranty for cabinet, support frame and equipment. These are all backed by our customer support team who are here to ensure your spa remains in optimal working condition. You can feel free to relax and enjoy your spa, with peace of mind in knowing that if you ever have an issue, our friendly local team are here to help.

LEADERS IN BUSINESS

Silver Spas are a division of Spa Industries Global, who have over 25 years experience in the spa industry. Our team has been designing and innovating new products, refining technology and finding efficiencies for over a quarter of a century. With a Silver Spa purchase you get decades of knowledge and the very cutting-edge of spa experience.
