### 1. Identification

|                                  |   |
|----------------------------------|---|
| <b>Manufacturer/distributor:</b> | Vitality Brands Worldwide Pty Ltd                   |
| <b>Address:</b>                  | Level 2, 415 Riversdale Rd                          |
|                                  | Hawthorn East, VIC 3123 Australia                   |
| <b>Emergency Telephone No:</b>   | +613 1300 364 515                                   |
| <b>Facsimile No:</b>             | +613 9882 6058                                      |
| <b>Product Name:</b>             | Cancer Council Kids Sunscreen SPF50+                |
| <b>AUST L:</b>                   | 307714  |
| <b>Recommended Use:</b>          | SPF50+ sunscreen preparation for topical human use. |
| <b>Restrictions on Use:</b>      | Not available                                       |
| <b>CAS No.:</b>                  | Not applicable                                      |

### 2. Hazards Identification

|                                  |  |
|----------------------------------|--|
| <b>Hazardous Classification:</b> | Non-hazardous chemical. Non-dangerous goods according to the WHS Regulation and the ADG. |
| <b>Pictograms:</b>               | Not applicable   |
| <b>Signal Word:</b>              | Not applicable   |
| <b>Hazardous Statement:</b>      | Not applicable   |
| <b>Precautionary Statement:</b>  | Not applicable   |
| <b>Other Hazards:</b>            | Not applicable   |

### 3. Composition and information on ingredients

| <b>Chemical Name</b>          | <b>CAS Number</b> | <b>Proportion</b> | <b>Risk</b> |
|-------------------------------|-------------------|-------------------|-------------|
| 4-Methylbenzylidene Camphor   | 36861-47-9        | 40mg/g            | -           |
| Octocrylene                   | 6197-30-4         | 40mg/g            | -           |
| Butyl Methoxydibenzoylmethane | 70356-09-1        | 40mg/g            | -           |
| Ethylhexyl Triazone           | 88122-99-0        | 30mg/g            | -           |
| Benzyl Alcohol                | 100-51-6          | <10mg/g           | -           |
| Phenoxyethanol                | 122-99-6          | <10mg/g           | -           |
| Non-hazardous cream base      | Not applicable    | To 100%           | -           |

### 4. First Aid Measures

|                           |  |
|---------------------------|--|
| <b>Health Effects:</b>    |  |
| <b>Acute – Swallowed:</b> | No data available                                  |
| <b>Acute – Eye:</b>       | May cause eye irritation. Avoid contact with eyes. |

|                  |   |                  |    |  |
|------------------|---|------------------|----|--|
| <b>Doc type:</b> | <b>Safety Data Sheet</b>                    |                  |    | <br>Official Licensee of<br>Cancer Council<br>sunscreens<br> <b>Cancer Council</b> |
| <b>Title:</b>    | <b>Cancer Council Kids Sunscreen SPF50+</b> |                  |    |  |
| <b>Doc. No.:</b> | SDS070                                      | <b>Rev. No.:</b> | 00 |  |

|                                       |   |
|---------------------------------------|---|
| Acute – Skin:                         | May cause skin irritation, however this product has been shown NOT to illicit an irritative response when tested on human subjects during SPF testing.      |
| Acute – Inhaled:                      | No data available   |
| Chronic:                              | No data available   |
| <b>First Aid:</b>                     |   |
| Swallowed:                            | Drink water, do not induce vomiting. Seek medical advice.   |
| Eye:                                  | Wash with copious amounts of water continuously for 15 minutes. Seek medical advice if irritation is experienced.   |
| Skin:                                 | If irritation or skin sensitisation develops, discontinue use. If irritation or skin sensitisation persists, consult a doctor.                              |
| Inhaled:                              | Not a typical route of exposure – no adverse effect known.  |
| Contact Point:                        | Contact the Poisons Information Centre on 13 11 26.   |
| Advice to Doctor:                     | Treat symptomatically   |
| <b>5. Fire-Fighting Measures</b>      |   |
| Flash Point:                          | Not available   |
| Extinguishing Media:                  | Not available   |
| Firefighting:                         | Not available   |
| Fire/explosion Hazard:                | Not available   |
| Fire Incompatibility:                 | Not available   |
| Hazchem:                              | Not available   |
| Personal Protective Equipment:        | Not available   |
| Contact Point:                        | Not available   |
| <b>6. Accidental Release Measures</b> |   |
| Emergency Procedures:                 | Not Applicable, no dangerous substances are released  |
| Minor Spills:                         | Spillage: Spilled product may be slippery, consolidate large amounts, wash remainder with hot water and detergent. Disposal: Observe all local regulations. |
| Major Spills:                         | Spillage: Spilled product may be slippery, consolidate large amounts, wash remainder with hot water and detergent. Disposal: Observe all local regulations. |
| <b>7. Handling and Storage</b>        |   |
| Procedure for Handling:               | For external use only, avoid contact with eyes.   |
| Unsuitable Packaging Materials:       | Not available   |

|                  |   |                  |    |   |
|------------------|---|------------------|----|---|
| <b>Doc type:</b> | <b>Safety Data Sheet</b>                    |                  |    |   |
| <b>Title:</b>    | <b>Cancer Council Kids Sunscreen SPF50+</b> |                  |    |   |
| <b>Doc. No.:</b> | SDS070                                      | <b>Rev. No.:</b> | 00 |   |

|                            |   |
|----------------------------|---|
| <b>Special Procedures:</b> | Not available   |
| <b>Storage:</b>            | Product is not defined as a dangerous good. It will be stable and effective for at least 3 years if stored below 30°C in a cool, dry place out of the reach of children in its original container and kept closed when not in use. Do not store in direct sunlight. |
| <b>Other information:</b>  | Not available   |

### 8. Exposure Controls/Personal Protection

|                                   |               |
|-----------------------------------|---------------|
| <b>Exposure Controls:</b>         | Not available |
| <b>Emergency Exposure Limits:</b> | Not available |
| <b>Personal Protection:</b>       | Not available |

### 9. Physical and Chemical Properties

|                                     |   |
|-------------------------------------|---|
| <b>Physical State:</b>              | Lotion- white to off-white to light orange pink |
| <b>Specific Gravity:</b>            | Not available                                   |
| <b>Solubility:</b>                  | Not available                                   |
| <b>Boiling Point/Melting Point:</b> | Not available                                   |
| <b>Vapour Pressure:</b>             | Not available                                   |
| <b>Flammability Limits:</b>         | Not available                                   |
| <b>Other Properties:</b>            | pH: 5.1-6.0                                     |

### 10. Chemical Stability and Reactivity Information

|  |  |
|--|--|
| <b>Conditions Contributing to Instability:</b> | Reactivity: Not Available<br>Chemical Stability: Stable under normal conditions of use<br>Conditions to avoid: Direct sunlight, warm conditions<br>Incompatible Materials: Not Available<br>Hazardous Decomposition Products: Not Available<br>Hazardous Reactions: Not Applicable |
|--|--|

### 11. Toxicological Information

|                             |  |
|-----------------------------|--|
| <b>Toxicology Tests:</b>    | See section 4. First Aid Measures (health effects) |
| <b>Carcinogenic Effect:</b> | No data available                                  |

### 12. Ecological Information

|  |
|--|
| Ecotoxicity: No data available<br>Persistence and degradability: No data available<br>Mobility: No data available<br>Other adverse effects: May cause long lasting harmful effects to aquatic life<br>Bioaccumulation Potential: No data available |
|--|
