EH-TW710

DATASHEET / BROCHURE

Bring everyone together to enjoy movies and games with this Full HD, 3,400 lumens projector with built-in Miracast.

View content from your device on an impressive 300 inch display with this Full HD projector using built-in Miracast. Thanks to its powerful 3,400 lumen 3LCD technology it delivers incredibly bright and clear images, and it's long-lasting lamp light source provides 18 year' worth of entertainment¹.

Bigger is better

Feel immersed in your favourite movies and games with this Full HD 1080p projector, that's capable of creating an impressive 300 inch display. Bringing the screen to life, 3LCD technology achieves a display that is up to three times brighter than competitor products². Its 16,000:1 contrast ratio also produces clearly defined shadows and deep blacks.

Simple set up

We don't think a home projector should be any more complicated to use than a TV. That's why this projector is hassle-free and quick to set up with features such as keystone correction to help quickly position the image. Accessing your entertainment is easy too with two HDMI inputs (including one MHL) for connecting DVD players, games consoles and more. With the iProjection app and built-in Miracast it's easy to project directly from a smart device.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for watching your favourite movies? With this model's long-lasting lamp light source, you'll be able to watch a film every day for 18 years¹.

High-quality, bright images

Even in bright rooms, this powerful yet affordable Full HD 1080p projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,400 lumens.
