

## THE WINNER OF THE 'BEST LOOKING STALL' COMPETITION IS SHERENE MELINDA.

August 20, 2015

Sherene Melinda's exhibition stand represented all that we like to see at AFWL. She paid so much attention to her 2x2m space that we were amazed with how she managed to utilize a relatively small space. Sherene brought all her won floor-to-ceiling shelving, glass cabinets and heavy metal hanging to exhibit her luxury handbags. She put so much work into making an inviting space, we thought her a worthy winner.

She is a new exhibitor to AFWL, and also managed catwalk. It did us proud to see our fabulous male model – Emeka – parading her beautiful designs much to our audience's delight!

Pre-event, she represented AFWL beautifully on the Pauline Long Show at very short notice and gave great interview. A wonderful exhibitor and designer. Congratulations Sherene!

### WHAT DOES SHE WIN?

Her prize is a free 2x2 exhibition stall at next year's AFWL. So Congratulations once again and we look forward to seeing her brand again next year.
