RUBIK is a 12.3x12.3cm porcelain tile collection with a strong emphasis on colour. The distinguishing hallmark of these straight-edged, smooth matt tiles is their shade variation, affording all kinds of design potential. The 9 sophisticated colours that make up the collection are rich in subtle nuances, lending a distinctive personality. This can be further enhanced by the different combinations of tile joints that RUBIK allows for.

RUBIK nos propone una colección donde el color es el protagonista. Con un amplio abanico de posibilidades, presentamos una superficie lisa en acabado mate y bordes rectos, donde la variación de tonos marca la diferencia. Además, los 9 colores de los que se compone son ricos en matices, sofisticados y capaces de dotar de personalidad a cualquier ambiente. Las grandes alternativas de decoración se amplían con las diferentes combinaciones de juntas. RUBIK es un porcelánico de formato 12,3x12,3 cm.
