# THE COLLECTION

#### BANANA

The perfect go-to ingredient for the quickest of banana milkshakes our purée is made with real bananas and very little else. Use it to make smoothies, or in your favourite frappé such as sticky toffee for a banoffee treat.

## MANGO

Made with real mango our purée has a high fruit content. Perfect for adding a tropical twist to cocktails and mocktails, great for smoothies for businesses short of fridge space as it can be stored ambiently.

## PASSIONFRUIT

Our Passionfruit purée is bursting with real fruit so adds a punch of flavour to everything it goes into. Our favourite is a real simple soda, just two pumps with sparkling water for a refreshing, profit winning drink.

#### RASPBERRY

The sweet yet sharp combination of these red berries is an essential flavour on any menu. Our purée is full of real raspberries so creates scrumptious milkshakes and can add a wonderful berry boost to smoothies, frappés, hot chocolate and sodas.

## STRAWBERRY

We've packed succulent strawberries into our purée meaning only a small amount is needed to create classic milkshakes and smoothies. Use with our non-dairy Vanilla Bean frappé and a milk alternative for a vegan friendly milkshake.
