

CULINARY TEAS

Enjoy your Breakfast Tea Sampler!

Enclosed is a collection of high-quality and unusual teas we hand-packed for you. This is the best way to try a group of our favorite Traditional Breakfast Teas.

As fresh loose-leaf teas, they have much more flavor than a conventional tea bag; Feel free to brew a second infusion! Enjoy!

Canadian Breakfast Tea

A superb fresh morning tea. Malty notes from the Assam, flower-like hints from the Kenya with delicate wisps of oiliness from the Yunnan

English Breakfast Tea

A perfect black breakfast tea. Good body but not overpowering. Coppery bright and excellent flavor. English Breakfast is a great traditional favorite.

Scottish Breakfast Tea

Malty full-bodied character with bright flavory notes and hints of cask oakiness. This tea is especially delicious with milk, which further lends a malty character to the tea and highlights the brightness of the premium tea.

Irish Breakfast Tea

The strength and malty flavor of Assams is combined with the brightness and lively flavor of the best Kenya teas. The longer you allow this tea to brew the stronger it becomes.

St Paul 's London Breakfast Tea

Full malty and flavory character. Tempered with hints of Earl Grey - a classic London morning cuppa! Brew a pot, add a splash of milk, a dash of sugar, and raise a toast to St. Paul's and merry old England.
