

PRODUCT INFORMATION SHEET

BLUEWASH LIQUID ^{L2}

Concentrated Laundry Liquid

BLUEWASH LIQUID can be used in all types of washing machines, front and top loading. Quickly removes blood and protein stains

Description

BLUEWASH LIQUID is a clear, thick blue liquid combining a blend of powerful cleaning agents, detergents and specialty optical brighteners. **BLUEWASH LIQUID** ensures maximum cleaning performance on all soils encountered leaving fabrics clean and bright with a fresh residual fragrance.

Application

BLUEWASH LIQUID can be used in all types of washing machines, front and top loading to remove a wide range of household stains including grease, fat, blood, oil, dirt and perspiration. The highly active biodegradable "naturally derived" detergents used in **BLUEWASH LIQUID** ensure that the toughest soils and grease are removed quickly and effectively. The naturally derived ingredients are also gentle on the skin. **BLUEWASH LIQUID** is also suitable in industrial washing machines for use in on premise laundries such as nursing homes, motels and hotels.

Directions for Use

1. Top loading machines use ½ cup for a normal wash load. For heavy soiling use up to 1 cup.
2. Front loading machines use ¼ cup for normal wash loads. For heavy soiling use ½ cup.
3. Hand washing and soaking ½ cup to a bucket (5 litres).
4. Pre spotting. Pour a small quantity onto the stain, rub gently and place soiled garment and balance of detergent into the wash.
