

Detergent for vehicle and equipment washing

Description

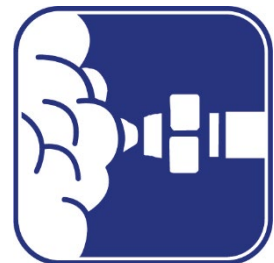

Fleetwash is a concentrated detergent for vehicle and equipment washing. It is specially formulated for removal of dirt, oil and road grime.

Key properties

- Dislodges and removes ingrained vehicle grime.
- Also cleans tarpaulins and tyres to a brilliant finish.
- Excellent for use on truck bodies, trailers, tankers, glass, earthmoving equipment, engines and chassis.

Benefits

- Can be used on all exterior vehicle surfaces.
- Protects aluminium, paintwork and chrome.

Detergent for vehicle and equipment washing

Use instructions

Use Fleetwash at the following concentrations depending on the application and soil type.

Vehicle Exterior: 0.5%-1.0%v/v.

Pressure Washer: 0.5%-0.75%v/v.

Manual Cleaning: 0.25%-0.5%v/v.

1. Rinse surfaces to remove any excess soil.
2. Prepare solution of Fleetwash.
3. Apply solution and agitate if necessary. Avoid solution drying on surface.
4. Rinse product contacting surfaces with potable water after use.

Technical Data Table

Appearance	Clear dark blue liquid
Specific Gravity	1.083
pH (at 20°C)	10

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Full guidance on the handling and storage of this product is provided in a separate Safety Data Sheet.

Product compatibility

Under recommended conditions of use, Fleetwash is suitable for use on most materials commonly encountered.
