### Storage information

Pressurised dispenser. Keep in a cool place. Protect from heat and sunlight. Do not expose to temperatures exceeding 50°C, such as may occur in cars, or near heat sources such as heaters, stoves or open flames. Keep away from sources of ignition no smoking. Do not store near naked flame, heat or incandescent material. Do not pierce or burn this can even when empty. Aerosols should be completely empty before disposing. Recycle cans if a facility is available or place used can in household rubbish.

### Safety Data Information

#### PRECAUTIONS

Keep out of reach of children. Extremely flammable. Do not spray directly on humans, pets, exposed foods, water, food preparation areas or food utensils. Do not spray near the eyes or towards the face. Do not smoke during use. Do not spray on or near a naked flame pilot light, heat or incandescent material. Surfaces may become slippery once sprayed. Care should be taken not to spray delicate fabrics or furnishings and plastic surfaces without prior testing. Remove or cover fish tanks before use. Very ecotoxic to aquatic life. Do not throw product into waterways. Harmful to bees. Do not spray near bees. Beware: Deliberately sniffing or inhaling concentrated spray can be harmful or fatal.

#### SAFETY DIRECTIONS

Will irritate the eyes. May irritate the skin. Avoid contact with eyes and skin. Do not inhale spray mist. If product in eyes, wash out immediately with water. Wash hands after use.

#### FLAMMABLE WARNING

Flammable Gas
