## Mortein Powergard Flying Insects Killer 300g

### Directions for use:

How to use: Shake can well before using. 1. Kills crawling insects fast: Spray directly at insect, up to 2 metres away, for fast kill. 2. Surface Protection: Hold about 1 metre from surface and spray in a sweeping motion. Ensure all sources of ignition are extinguished. Spray infested areas such as skirting boards, under and behind cupboards, behind refrigerators and under stoves.

### USAGE ADVICE

Ideal for use in the kitchen on skirting boards, under cupboards, kitchen appliances, around hot water pipes and hot water tanks, on door frames and steps. Also use in the living room, laundry/washing area, around bins, storeroom, balcony, under the house and in the roof in locations where cockroaches commonly hide

### Storage information

Pressurised dispenser. Keep in a cool place away from heat and out of reach of children. Protect from sunlight and do not expose to temperatures exceeding 50°C such as may occur in cars or near heat sources such as heaters, stoves or open flames. Do not spray on a naked flame or any incandescent material. Keep away from sources of ignition - no smoking. Do not pierce or burn, even when empty. Aerosols should be completely empty before disposing. Recycle empty cans if facility is available or place empty can in household rubbish.

### Safety Data Information

#### PRODUCT WARNINGS

Not to be used for any purpose, or in any manner, contrary to this label unless authorised. Surfaces, particularly floors will become slippery once sprayed. Remove excess with paper towel. BEWARE: Intentional misuse by deliberately concentrating and inhaling contents can be harmful or fatal. May irritate the eyes and skin. Avoid contact with eyes and skin. Do not inhale spray mist.

#### CAUTION

Keep out of reach of children. Read safety precaution.
