Final Step J-Flex™

D4

Sanitiser

Description

Suma® Final Step Sanitiser J-Flex is a no-rinse surface sanitiser designed for use on all food preparation areas, utensils and equipment.

Features

- Quaternary ammonium chloride based.
- Sanitises pre-cleaned surfaces.
- No rinsing is necessary when diluted as instructed.
- Suitable for use on all hard surfaces.
- Non perfumed.

Benefits

- Broad spectrum sanitiser.
- Can be applied via many methods i.e. sink, bucket or spray.
- No rinse formula reduces recontamination.
- Highly concentrated thus very economical in use.
- Very stable and no odour.
- Space saving packaging and reduced packaging waste.
- The patented J-Flex system eliminates chemical wastage saving you money.

Application areas

- Retail
- Hospitality
- Lodging
- Healthcare
- Food Service

Sanitiser

Directions for use

(See J-Flex operating Instruction Sheet enclosed in each case). The J-Flex dosing system provides controlled dosing for trigger filling, bucket filling and spray sanitising. Pre-clean and rinse surfaces before sanitising .

Mop & Bucket or Spray Bottle cleaning

1. Rotate selector to BOTTLE and fill bottle or rotate to BUCKET and fill bucket.
2. Apply liberally to the pre-cleaned surface to be sanitised..
3. Allow contact time of 1 minute and let surface air dry.

Spray Cleaning

1. Rotate selector to SPRAY and apply liberally to all pre-cleaned surfaces to be sanitised.
2. Allow contact time of 1 minute and let surface air dry.

Rinsing is not required. Direct contact with prescribed goods must be prevented and treated surfaces adequately drained before processing operations resume.

In New Zealand : A rinse with potable water after application is required when the product is used by operators processing non-dairy animal products who are operating under the Animal Products Act (APA) regime. Fish processing plants are excluded from this requirement.

Technical data

| | | | |
|-------------------------|------------------|----------|--------------|
| Appearance | Clear red liquid | pH | 7 |
| Relative density (20°C) | 0.993 | Dilution | 1:512 |
| | | Odour | Perfume free |

The above data is typical of normal production and should not be taken as a specification.

| Product | Pack size | SKU Code | Availability |
|-------------------------------|-----------|----------|--------------|
| Suma® Final Step J-Flex Fill | 2 x 1.5L | 7010052 | AU |
| Suma® Final Step J-Flex Spray | 2 x 1.5L | 5985195 | AU |
