Embellished Flower Tutorial

A vertical strip of pink peonies with green leaves runs down the left side of the page. The flowers are in various stages of bloom, showing detailed petal textures and colors ranging from light pink to deep magenta.

Materials:

- off white thread
- white faux flower petals
- beading needle
- scissors
- 2mm pearls
- 4mm pearls
- 4 - 4mm crystal
- 4 - 5mm crystal
- 1 - 8mm crystal
- 1 inch square felt

Please note that beading needles are thin and easily bend they are also sharper at both ends than normal needles so you need to be careful when sewing.

The flower petals should be easy to find online, you can opt for any colour but note that the look for the flower comes together when using the same colour crystals and pearls.

You can find sew on crystals from Etsy or ebay.

Happy crafting!

Assemble & stitch petals

You will need to start with 4 petals, once gathered & centred secure with a few holding stitches in the middle

Next add another 4 petals, overlay the top layer so that the bottom layer of petals can be seen

*Sew the
crystals*

Sew the 8mm crystal to
the centre

Sew 4 of the 5mm size
crystals symmetrically
around the centre

Sew the pearls

Sew the 4mm size crystals in between the gaps to form a complete circle of crystals

Sew the 2mm pearls, start with sewing two at the top of the 5mm crystal & one on top to form a triangle shape

*Sew the next
size pearl*

Sew the 4mm size pearls
on both sides, they don't
need to be placed
symmetrically

*Finished
Flower*

Next fill in the
remaining gaps around
the crystal with the
2mm pearls.

Cut a round circle with
the felt to cover the
stitched area of the back
of the flower and you
can either glue or sew on
to an accessory.
