Fill in the boxes with the options you need fax it to us at: 732-833-8085.

NHL-HPW

Wattage:

- 150W 150 Watts
28W -28 Watts
48W -48 Watts
56W -56 Watts

Color Temp:

- 35K =3,500K
40K =4,000K
50K =5,000K

Voltage:

UNV =120-277

Cord Set:

- BX6 6' Armored Cable
C/S-(Whip XX") =(Whip XX")
C/S-15A125 =15A125V
C/S-15A208 =20A208V
C/S-15A277 =15A277V
C/S-20A125 =20A125V
C/S-20A208 =20A208V
C/S-20A277 =20A277V

Options:

- EM Emergency Battery/Driver
SEN =120/277 Motion Sensor

New Horizon Lighting products reduce operating costs while delivering high efficiency lighting. NHL products are built in the USA and are available or through leading national distributors.
