

# Fundraising at NOTE

At NOTE Fragrances, we have great options for fundraising! With **35% of sales going back to your organization**, fundraising with NOTE is both **successful and generous**. Explore the fun and creative options below for the best fit for your organization!

## OPTION ONE: HOST AN "EVENING OF SHOPPING" AT NOTE

This option is focused on shopping and is best groups that expect 20+ people to attend. It would be held in the evening from 4-8 pm during the week. At the event, your guests would shop the boutique and have the option to create a fragrance at our Custom Perfume Studio. However, due to the larger number of people you would have coming to this event, the Custom Perfume Studio would be limited to 12 people. If you would like all of your guests to have the option of creating their own fragrance, we recommend option #2, #3 or #4.

## OPTION TWO: HOST A "3 DAY FUNDRAISING EVENT" AT NOTE

This option is best for larger organizations, where you expect 50+ people to participate. This would be a 3 day event from Thursday through Saturday during normal business hours. At the event, your guests would shop the boutique as well as have the option to create a fragrance at our Custom Perfume Studio. By spreading the event out over 3 days, it allows all of your guests the option of shopping & creating at the Custom Perfume Studio at their convenience.

## OPTION THREE: HOST A "CUSTOM PERFUME PARTY" AT NOTE

Do you have a smaller group or are you looking for a more intimate experience? Then this option is perfect for you! This event would take place in the evening, after our normal business hours. At the event, your guests would create their own custom fragrance in our Custom Perfume Studio as well as shop the boutique. Due to the custom experience, this option is limited to 20 people and a final count of those participating in the custom experience is required 3 days prior to the event.

## OPTION FOUR: SELL TICKETS TO THE CUSTOM PERFUME STUDIO

Perfect for groups that are very large with active members who are used to selling ticketed items. With this option, we will provide you with tickets to sell for the Custom Perfume Studio Experience. This option allows the purchaser to come to the studio at their leisure while supporting your organization.

## Some of our recent fundraisers include:

St. Joseph's Center, Relay for Life, St. Jude, the Alzheimer Association, NEPA Philharmonic and Schuylers County Humane Society, just to name a few.
