## **Save Time, Save Money, and Save Space.**

Smart homes feature a clean and centralized media enclosure to integrate wireless devices into traditional wiring installations.

### **Why is our wiring and media enclosure the best buy?**

The 14304F-MMH Enclosure is affordable, constructed with top-quality materials, and easy-to-install... Our attractive units include the frame & lid with each enclosure. Our flat box can ship in a carton of 6 units - costing less to ship and install!

\*Door can mount to open to Right or Left side
