MBC-16B Manual Rebar Bender/Cutter

MBC-16B High Leverage Bender/Cutter

This manual tool has been designed to cut and bend rebar up to #5 (5/8") grade 60. This new high-leverage arrangement greatly reduces cutting and bending effort.

- For up to 5/8" rebar
- Can bend up to 180°
- Adjustable cam to change bending radius
- Longer handle gives more leverage
- Includes woodmounting board
- Cuts with 20% less effort
- Comes complete with lifting chain and ring

PREPAID FREIGHT: Six or more tools will receive prepaid freight to one location within the continental United States. Subject to change without notice • All tools, parts and accessories are shipped FOB: Wickenburg, AZ. There is a standard 20% restocking charge on returned merchandise. • Warranty – Six months parts and labor (only through our authorized warranty repair centers.)
