Welcome! We are pleased that you are considering consigning with The Funky Frog, Children's Resale Boutique

We want your consignment experience to be pleasurable and profitable.

These guidelines are in conformation with the recommended standards and code of ethics of the National Association of Resale and Thrift Shops and the COVID-19 Safety Guidelines.

1. The Funky Frog reviews clothing and other items **by ON-LINE appointment on Tuesday through Friday from 10:00 - 5:30pm unless otherwise pre-arranged.** No Saturday drop offs.
2. The on-line scheduler can be accessed at <http://funky-frog-consignment-scheduling.genbook.com>, on the Facebook page using the "Book Now" button or from www.thefunkyfrogonline.com home page "Consignment" button. The Scheduler will show you the next 60 days' appointment availability. Appointments book quickly. Please book early.
3. When you select items to consign at The Funky Frog, ask yourself if **YOU** would buy them. If you wouldn't buy them as they are, please don't bring them to us.
4. Please do not bring in clothes with missing or removed brand, size and washing tags.
5. We do not accept items with garage or Mom2Mom sale price tags/stickers. (Please leave all original, retail price tags in place if the item is brand new/never used).
6. **Please limit the quantity of items you bring to a SINGLE covered 18-20 gallon tote/appointment.**
7. We will review your items while you wait.
8. We request that all clothing be brought in **freshly laundered, in excellent condition (no smoke, pet hair or stains), in style and in season.**
9. **No plastic/trash bags.** Items will not be reviewed if they arrive in trash bags. No exceptions.
10. As we prepare your items for sale, we may find additional items that don't meet our standards i.e. stains, odors, wear or defects. These items will be automatically discounted or donated.
11. Furniture and equipment must be wiped down, clean, free of debris and ready for sale. All gear must be assembled prior to, or at the store, for review. Product instructions or manuals always make it easier to sell the item.
12. All battery-operated items must arrive with FRESH batteries and be functional for the duration of their stay in the store.
13. All toys, baby equipment and furniture are checked against the Consumer Product Safety Commission's list of recalled or defective items and will be returned to you if they appear on the list. We ask that you check them against the CPSC list PRIOR to your appointment.
14. The Funky Frog reserves the exclusive right to a) accept and sell only those items which we determine to be in current style and/or excellent condition and/or otherwise saleable, and b)

determine the actual retail price of all items. We will work with you to arrive at a mutually beneficial sale price for large ticket items, but may decline to receive your items if we think your suggested price is too high for our customer base.

15. Merchandise is priced by The Funky Frog at approximately 30 – 40% of original retail, depending on sale-ability. Clothes and shoes are automatically marked down 25% after 4 weeks and 50% after 6 weeks.
 16. You receive 40% of the selling price (selling price is the price before taxes and buyer's fee is applied).
 17. As of June 1, 2021, we charge a one-time set-up fee for new consignors, which is deducted from the first \$5 earned.
 18. A Buyer's fee of .99 cents is added to the price of each item; it is paid by the buyer, not you the Consignor, and will not appear on your account information. It will not be reflected in the earnings paid to you.
 19. Your contract is for 60 calendar days and usually starts within 2 days of your appointment.
 20. The Funky Frog reserves the right to reduce prices due to special advertising, coupons and promotions or because of limited space and seasonal changes.
 21. If you choose to pick up your item(s) before the contract end-date, you will be assessed a \$1 per item fee for early pick-up.
 22. At the end of your 60- consignment period you can ask that your unsold items be a) donated to local charities. b) FOR GEAR ONLY - Re-consigned at a new/lower price if space/season allows— Funky Frog reserves the right to decline. C) Picked up when you pick up your earnings (please allow 3 days from the time you call notifying us of your intentions in order to pull your unsold items and prepare them for you to pick up).
 23. There is a two-day return policy. Earnings for items sold are "frozen" until the two business days have passed.
 24. Earnings can be used as store credits with a 10% "stretch" of your earnings. Meaning 40% to cash it out or 50% to used as a store credit. You can use your earning at any time during your contract term or after.
