

# SATURDAY ACTIVITIES

1. Sycamore

7. Elder

## Nuts, fruits and seeds

Trees, vines and bushes grow seeds in the autumn.  
Some seeds have tough cases. Others grow inside fleshy fruits.

Look at the fruit, nuts and seeds below, and match them up to the tree that grew them. Clue: looking at the names and leaves will help you.

2. Oak

Cone

Helicopter seeds

Rosehips

Acorns

Elderberries

3. Dog rose

Conkers

Sloes

5. Pine

4. Blackthorn
