

Charming Charlie Supplier Request Form

Our store specializes in selling *Women's Fashion Accessories* and we are currently selling over 400 orders per day with access to Seven Million loyal customers. We believe that we can increase our sales by creating long-term, beneficial working relationships.

Before proceeding, we have a few questions for your company:

1. Do you offer Blind Dropshipping - Sending shipments without sending an invoice and any associated marketing materials including in or on the packaging?
2. Do you offer Bulk Dropshipping - our store's current selling volume is too large to place orders individually and we would like to partner with someone who can maximize orders by shipping them out on our behalf direct to the customer upon fulfillment on our website.
3. Do you have an MOQ (Minimum Order Quantity) required for any of your products? We plan on providing selling reports every two days to submit orders for shipments direct to customer.
4. Are you able to send an invoice for final cost bulk shipping? Including cost of product, duties, and freight?
5. Are you able to apply my company's logo on the products?
6. Do you have high-resolution image photography on the product that we can use to promote on our site?

If you can answer YES! to the criteria above, we would love to speak with you! Please let us know if you are interested in forming this mutually beneficial, long-term business relationship with us.
