Rechargeable Battery Pack Charging Guide

Part Number: 914003
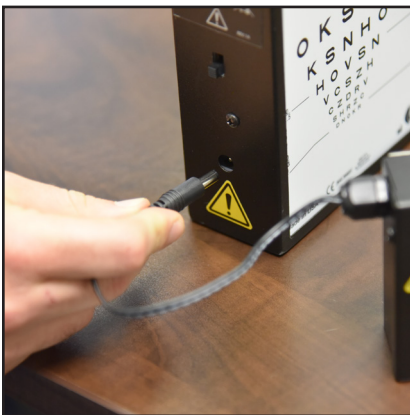

Disclaimer: Used only for ESV1200, ESV1500, and Vectograph Illuminator.

1. Plug in the power supply that was provided with your illuminator cabinet to an outlet.

2. Plug the other end of the power supply into the charging port on the battery pack to charge overnight.

3. After overnight charging and unplugging the power supply, the battery pack is ready for use. Plug in the battery pack into the port on your illuminator.

Rechargeable Battery Pack Charging Guide
