Frozen French Macarons NATURAL GE GLUTEN FREE

Scrumptious, authentic, Macarons from Franck Deville—created using only the best ingredients. The delicate and airy French meringue shells are filled with home-made ganache, buttercream, or fruit jam. These macarons are always free from artificial colorants for optimal taste and quality.

DEFROSTING: Defrost in positive cold at $32-39.2^{\circ}F$ (0-4°C) in refrigeration or display case for 24 hours. Optimal tasting conditions: let sit at room temperature for 30 minutes to 1 hour before enjoying. For optimal organoleptic conditions, we recommend consumption within 3 days after defrosting.
