

Bracelet Size Guide

Before sizing, check that the guide has printed at 100% scale by laying a credit card on the line.

FIND YOUR LENGTH

Measure your wrist with our ruler

1. After cutting out the ruler, carefully make a slit on the horizontal line marked by the GLDN logo.
2. Wrap the ruler around our wrist.
3. Slip the numbered end through the horizontal opening and pull until the ruler is snug against your skin.
4. The number that lines up with the edge of the opening is your wrist size, in inches.
5. Remember to convert your wrist size to bracelet length, with the chart below!

WRIST SIZE	BRACELET LENGTH	CUFF SIZE
5.5-6.5"	6-7"	XS/S
6-7"	6.5-7.5"	S/M
6.5-7.5"	7-8"	M/L

Hint: Our most popular length is 6.5 - 7.5". When in doubt? Size up!
