

IDEAS FOR BATHTIME FUN

DOES IT SINK OR FLOAT?

Try exploring sinking and floating, pouring and measuring, washing dollies, ducks and toy cars.

WASHING DOLLIES

Encourage independent washing by washing dollies first. Talk about why it's important to keep clean.

BATH CRAYONS

Practise number & letter formation, fine motor skills, creating patterns and writing sentences.

RACING CARS

Race cars along the sides of the bath, and zoom them up & down, under & under, left to right.

MEASURING

Gather different types of containers to measure out water, talking about which holds more/less and why.

POURING

Use different containers to pour water into the bath and other containers. Use a colander to sprinkle.

EYE SPY

Play a memory game -hide toys under the bubbles. Or play traditional eye spy with objects in the bathroom.

BODY PARTS

Encourage independent washing- name a body part to wash!
