YOU WEAR LOTS OF HATS

BUT ONLY THIS ONE LOOKS GOOD ON YOU

Heads up! We have a whole lot of hats for you to check out this year. It's been another interesting, head-spinning trip around the sun. So let's take time to stop, take stock, and grab those hats you know they'll love. Once again, we take our hats off to you, our valued customer.

Get out there, and enjoy the Outback.

OILSKIN

As true to our roots as can be, our Oilskin Hat Collection is a real Outback staple. Made from the same oilskin fabric producer we have worked with since our start, our oilskin hats are made to weather the toughest conditions. Our oilskin hats feature koala pouches in the crown, wired brims, various bands, and embellishments. Staying dry and protected from the harshest elements starts and stops with this great collection of hats.

COTTON & CANVAS

For a day on the water or a warmer day of hunting, our Cotton & Canvas Collection has just the hat to keep you cool and protected from the sun. This range of hats is lighter-weight and designed to be more breathable with their mesh properties. These hats also include chin-cords to ensure hats stay in place and let you keep focused on the fish.

CANYONLAND

Our Canyonland Hats look weathered to perfection thanks to the unique properties of the fabric. Soft to the touch, water resistant to the rain, Canyonland is treated to give it a rugged finish and different coloring depending on the light. These hats come with a moisture wicking sweatband to keep your hat in place and your head cool. From the ranch to the river there is something in our Canyonland Collection for every adventurer.
