Re: Letter of Support for Curious ComiCon Society

To Whom It May Concern,

We want to express our sincere appreciation to Curious ComiCon Society for recognizing Nanaimo Brain Injury Society (NBIS) as their charity of choice. Their support in raising funds on our behalf is critical to ensuring we are able to meet the growing demands for our programs and services.

NBIS is dedicated to promoting neurological health and ensuring full participation in the community for individuals with acquired brain injuries. Through our programs, we strive to facilitate inclusion and support for brain injury survivors and their families.

The partnership between Curious ComiCon Society and NBIS is invaluable in our mission to assist brain injury survivors. We are grateful for their commitment to our community and look forward to working together towards our shared goals.

Thank you for your support.

Sincerely,

Kix Citton
