## Terms and Conditions

The consignment fee for Custom Collars is $20 \%$. We can suggest a price for you on your item(s) or you can set the price of your item(s). We will sell your consignment piece at the agreed upon price and issue you a check, less $20 \%$ consignment fee, when your items sell.

We will make your items available to our shoppers on our website. If at any time you would like to change the price of your consignment item, please contact us and we can adjust that. If at any time you would like your item back, please contact us and we will ship it back to you. Shipping will be at your (seller's) expense.

All products purchased from Custom Collars Boutique are available for consignment except dickies or stock ties. Custom Collars Boutique maintains the right to reject prospective consignment items if the condition is such that it will be too hard to resell.

We do not do trade-ins or buy backs on previously purchased items. Shipping to and from Custom Collars Boutique is at seller's expense. Shipping to the new buyer of the consignment piece will be taken from the total purchase price (usually between $\$ 12-\$ 20$ depending on the weight of items). For online sales, we give all purchasers of the consignment pieces a 10-day trial to try item(s) on and keep the item(s) or send them back. Checks will be issued after trial period is complete.
