

RYE WHISKY

MAPLE SYRUP CASK FINISH

AMERICAN VIRGIN OAK & MAPLE SYRUP CASK MATURED
SINGLE RYE WHISKY — 46.3% ALC./VOL. — LIMITED EDITION

INTRODUCING OUR CLASSIC RYE WHISKY FINISHED WITH FINESSE IN VERMONT MAPLE SYRUP CASKS.

Birthered in Denmark's serene West Coast, this expression exemplifies Stauning's unwavering commitment to craftsmanship and design. Drawing from Scandinavian terroir, our whisky is floor malted using the finest Danish rye and barley, capturing the unique essence of our lush landscapes and brisk coastal breezes. Using processes steeped in tradition, but with a thoroughly modern take, our whisky is double distilled in small copper pot stills.

The soul of this whisky, however, lies in its finishing touch; a Vermont maple syrup cask. This experimental cask maturation imparts a delicate mix of spiciness and sweetness, resulting in a whisky that's both opulent and delightful.

Experience the harmonious union of Danish design principles and time-tested whisky craftsmanship.

SERVING SUGGESTIONS

Enjoy the whisky's rich character neat, add a couple of ice cubes for a refreshing twist, or treat yourself to a Maple Old Fashioned: 6 cl. Stauning Rye Whisky, 1 cl. maple syrup, and 2 dashes of orange bitters. Mix in an ice-filled glass, pour into a tumbler graced with ice, and finish with an orange twist.

TASTING NOTES

Notes of red berries, green apple, citrus, cereals, and malt. The heavy charred American virgin oak barrels and flavourful maple syrup casks have added notes of warm spices like vanilla and cinnamon, loads of liquorice and toasted wood.
