

Ivy Kids Kits
Read. Play. Learn. Create.

Dear Education Specialist,

Please consider adding Ivy Kids LLC to our curriculum resource list.

I am interested in purchasing curriculum from this vendor as soon as possible. More information on Ivy-Kids (ivy-kids.com) follows below.

Ivy-Kids is a monthly educational activity and curriculum kit for kids designed by a team of educators and moms who believe an enjoyment of reading can be nurtured and extended through fun, crafty educational activities. Each thematic literacy kit incorporates math, science, literacy, and art. Inside each kit, Ivy Kids provides:

- ★ 10+ family friendly activities carefully curated for kids and designed to provide homeschool parents with the necessary know-how to create fun, enriching, and educational lessons.
- ★ A brand new full sized picture book.
- ★ Full color instructions and teaching guides for each activity and craft.
- ★ A personalized coloring page for your child.

Ivy Kids has been featured on homeschool blogs and magazines such as Simple Homeschool, Curriculum Choice, Learning Table, HEDUA, The Old School House and Homeschool Enrichment Magazine. Ivy Kids provides curriculum to charter schools across the nation.

Thank you for your consideration in this matter. Please contact Ivy-Kids vendor relations at info@ivy-kids.com or 888-549-0200 to begin the enrollment process.

Sincerely,
