2021

Artem Markelov, BWT - HWA 2020 - FIA F2

"Hrx are a worldwide brand, recognizable all over the world, thanks to the winning and competitive attitude as strong as our customer when they are on track!

But it's only the beginning. We still have so many laps to do to expand our horizons.

Our motto "OUR PASSION IS RACING" has been transformed into a service dedicated to motorsport people with their special deadlines as the track requires.

If we have now achieved these goals, it's only thanks to the trust placed in us by our customers, and for this I can only thank you on behalf of myself and the entire HRX staff."

FIA 2018 STANDARD

HRX has already developed the entire range of products according to the new FIA STANDARD 2018, that it will be compulsory from 2022.

We did big steps forward to offering you a complete new product with brand new technology but at the same price.

Very important:

THE NEW STANDARD GUARANTEES 10 YEARS OF PRODUCT VALIDITY.

Considering that all the products with 2000 FIA standard will expire at 31-12-2028. It means that by buying a product in the 2021 a new **FIA 2018** product you win 3 years extra of validity on your purchase.

HRX CREATE A UNIQUE OFFER!

HRX are specialized in the customization, thanks to so have created a special offer shared in 3 options.

• STANDARD

YOU CAN SELECT A SUIT FROM OUR CATALOGUE by choosing model, measure and colors.

• ICS (Instant Custom Suits)

You can go to our website where there is our configurator.

AT THE SAME PRICE you can:

- customise your suit with the extra colors that you want.
- We have added 20 new designs and different customisations.
- You can also decide to select a made to measure fitting or standard one.
- You can even customise your suit with your personal logos like a bespoke suit.

• BESPOKE

With this option you can let your imagination run wild by creating a product from the very beginning. With our design and graphics teams you can create your design by selecting fabrics, colors and logos positions. You can choose between printed or embroidered logos. Our pattern-makers will look after your fitting by realising a model that will fit perfectly based on your size chart.

NEW FIA 8856-2018

ZERO ICON PLUS

GET DESIGN

We have developed for our drivers a brand new suit with the specific compound **RXC®** (Racing Xtreme Compound) that guarantees the Zero Icon a place of excellence in terms of lightness and better breathability.

This compound comes out from the *innovative technology* of materials and after a detailed analysis of the drivers' requests.

Together with the new elastic fabric (**ELAXTEX®**) this is the upgrade of the already winning Zero suit with the FIA 2000 homologation, transformed into ZERO ICON.

It is now an ICONic suit from the technological point of view.

EXTREMELY COMFORTABLE

"I am really happy with the quality of HRX, the underwear material is great and the suits fit and breath very well. On top of that, they are always chasing to improve."

Filipe Albuquerque

United Autosports - WEC/ELMS Driver Champion

REALLY IMPRESSIVE

"HRX did a fantastic job for me at very short notice to produce some quality period style overalls in time for the Goodwood revival. Turning around something that specific in the time frame, faultlessly, was really impressive"

Alex Brundle

WEC Driver for Manor Motorsport

ABSOLUTELY PERFECT!

"Received the suit and gave it a test fit! Its absolutely perfect! Very happy with the end product, the finish on it is second to none! Recommended to friends already, so great work!"

Jack Ashton

Winner of MG Metro Cup in 2018 & 2019

I WOULD RECOMMEND THEM

"I've used HRX suits for two seasons now, the best thing is the light weight and fit. I got measured locally but the suit fitted perfectly. The underwear is also very lightweight and a good fit, and all of it washes well with no adverse effect on the printed logos and badges. I would recommend them."

Colin Noble

Nielsen Racing - ELMS/MLMC Driver
