

## **Job Description:**

ReVital Polymers Inc. is seeking a **Qualified Millwright** (*or* **Apprentice**) for its Sarnia, Ontario facility. Sarnia is a family friendly city at the base of Lake Huron, with all season activities including miles of white sandy beaches, easy accessibility to major league sports teams, and recreational & cultural events.

If you are seeking a career with an innovative team where you can help North American companies improve their environmental footprint by reducing their use of non-renewable resources, then you will find ReVital Polymers a reliable career partner. We are a leading supplier of post-consumer commodity resins for the commercial, industrial, and automotive industries.

## **DUTIES AND RESPONSIBILITES**

- Strong Welding and fabrication skills.
- Maintenance of sorting, shredding, granulation, and extrusion equipment.
- Maintenance of bearings, gearboxes, belt conveyors.
- Operating the above equipment and troubleshooting large-scale processing equipment powered by high-pressure hydraulics, and high-power electrical motors.
- Preventative maintenance of the equipment.
- Maintenance related projects.
- Basic maintenance and repair of electrical systems (motor wiring).
- Interpret instructions, specifications, drawings, and manuals.
- Follow procedures regarding safety, ISO, work procedures, LOTO, etc.
- Monitoring equipment for hazards, issues, and quality of output.
- Assess safety of new tasks and resolve unsafe conditions if possible. Reporting of unsafe work conditions.
- Recommend improvements and make suggestions.
- Report process deviations and equipment issues to Manager.

## **KNOWLEDGE AND SKILL REQUIREMENTS**

- A High School Diploma and a Red Seal Certificate of Qualification, Mechanical/Millwright or as an apprentice in the same.
- Prior experience in the Recycling Industry an asset.
- A Team Player with strong interpersonal and communication skills.

- Ability to analyze information and to define and solve problems.
- Excellent analytical and mechanical problem-solving skills.
