

TIMEBIRDS

SONC

OS-4.20

Last updated September 2023

Thank You for purchasing the Timebirds® workout timer. Upon receipt of the product, check for any defects prior to first use. If defects are found, do not use and contact Timebirds immediately.

Safety | It is important to read and understand all instructions before using Timebirds®. Only use Timebirds® as described in the manual.

Warning | Overheating, damage or exposure to excessive heat may cause the battery to explode and cause flames resulting in physical harm. Always use a compatible charging device when charging. Do not overload wall outlets, extension cords, or adaptors beyond their capacity. Do not place the device in a fire or near extreme heat. Stop using the device if the battery is damaged or malfunctioning. Do not attempt to repair the battery. Always recycle, or dispose, of the battery according to your local environment laws and guidelines. Poorly structured, or executed, workouts may cause personal injury. Proper setup and use of this device is the responsibility of the user. Timebirds® bears no liability beyond the replacement value of the device.

Notice | Timebirds® is not waterproof and may become damaged if exposed to water. Always place Timebirds® in a dry area. Dropping, throwing or bumping the device may cause damage to the device. Do not use Timebirds® as a toy or let children use the device without proper supervision or instruction.

Product Care | Always store Timebirds® in a clean and dry environment. To clean, wipe with a damp cloth, do not use harsh chemicals or cleaning agents. Do not disassemble, try to repair or modify.

The lens is designed to pop in and out. In the event of the lens popping out, simply pop it back in so the Timebirds® logo can be read while facing you.

Specifications

Weight: approximately 150gr.
