General Specifications

Engineered for Life Outdoors

Our rugged cabinetry is designed, manufactured and tested in North America, and carefully assembled, inspected and packaged by experienced craftspeople.

Marine Grade Aluminum

Our marine grade aluminum is twice as thick as most stainless steel cabinetry on the market, yet lighter in weight. Aluminum is easy to transport and cooperates well during installations. It is the ideal material for extreme climates (snow, ice, salt water, humidity) and provides long-term quality.

Urban Bonfire’s products and accessories are powder coated with our proprietary **NACRAE™ finish**. Inspired by the beauty, strength and resilience of mother of pearl, each finish is crafted with a micro-textured formulation that preserves and protects its beauty in all climates, creating a stable depth of color in any outdoor environment.

Now with revolutionary, all-natural, anti-microbial protection, our NACRAE™ finish is a standard feature on all Urban Bonfire products and accessories.

Durable
4-season formulation that resists scratches, fading and stains even in harsh climates.

Anti-microbial
Integrated all-natural, anti-microbial properties for maximum safety and freshness.

FDA-Approved
Environmentally sustainable material and process.

Specialty Colors
A collection developed in collaboration with iconic designers.

NACRAĒ™ Powder Coated Finishes

Anthracite (AN)
Modern dark gray with slate undertones. Elevates contemporary and outdoor urban environments.

Artesan (AR)
Dark gray finish with a warm bronze undertone. Designed to accent wood and natural limestone while creating a welcome contrast through its depth of tone.

Chantilly (CH)
This crisp white works in almost any outdoor setting. Reflecting tones of silk and clean linen.

Clay (CL)
An elegant and versatile rich beige. Enhances the mood and atmosphere of any classic outdoor living space.

Onyx (ON)
Deep, dark black that is sure to create a standout piece in any environment.

Pewter (PE)
Warm dark gray with bronze undertones. Adds a refined touch to any outdoor environment.

Colors digitally rendered. Actual products may vary.

Handle Options

316 STAINLESS STEEL

BAUHAUS (3312)

URBAN (337)

PULL (341)

STANDARD INCLUSION 316 Stainless Steel

Each cabinet includes a premium outdoor grade 316 stainless steel handle.

For added resistance against harsh climates, and for greater personalization, these handles are also available with NACRAĒ™ powder coated finishes as an upgrade.

Available finishes

UPGRADE OPTIONS “Living Finish” Solid Bronze

These handles are constructed from highly durable solid bronze. They include a “living finish” that protects them from excessive corrosion and allows them to age naturally in their environment. Like all bronze products, these handles gain character as they weather and age with expected changes in tone.

Contact us for available finishes.

Product Index

Every Urban Bonfire cabinet is made of thick marine grade aluminum with outdoor grade 304 stainless steel hardware and includes a choice of powder coating finish.
