est inst	ructions for children
	Reclosable packages, if assembled by the testing agency, shall be properly secured at least 72 hours prior to the opening described in instruction number 3 to allow the materials (e.g., the hours prior to the opening described in instruction number 3 to allow the materials (e.g., the
2.	All packages shall be handled so that no damage of jarring will cook a straight and the transportation. The packages shall not be exposed to extreme conditions of heat or cold. The
3.	Reclosable packages shall be opened and properly resecuted one time (at the bythe testing agency or other adult prior to testing. The opening and resecuring shall not be done in the presence of the children. (In the adult-resecuring test, the tester must not open and resecure the package prior to the test.) If multiple openings/resecurings are to be used, each of four (4) testers shall open and properly resecure one fourth of the packages once and then shall open and properly resecure each package a second, third, fourth, through tenth (or other specified number) time, in the same sequence as the first opening and resecuring. The packages shall not be opened and resecured again prior to testing. The name of each tester and the package numbers that he/she opens and resecures shall be recorded and reported. It is not the package numbers that he/she opens and resecures that they opened and resecured.
4.	The children shall have no overt physical of mental handicaps. No shift with a participation shall temporary illness, injury, or handicap that would interfere with his/her effective participation shall
5.	be included in the test. The testing shall take place in a well lighted location that is familiar to the children and that is isolated from all distractions. The tester, or another adult, shall escort a pair of children to the test area. The tester shall seat the tester, or another adult, shall escort a pair of children to the test area. The tester shall seat the tester.
6.	the two children so that there is no visual partier between the street
7.	The tester shall talk to the children to make them feel at ease. The children shall not be given the impression that they are in a race or contest. They are not to be offered a reward.
9.	be told that the test is a game or that it is fun. They are not to be offered a reward. The tester shall record all data prior to, or after, the test so that full attention can be on the
10.	children during the test period. The tester shall use a stopwatch(s) or other timing devices to time the number of seconds it takes the child to open the packag and to time the 5-minute test periods. The tester shall use a stopwatch(s) or other timing devices to time the number of seconds it takes the child to open the packag and to time the 5-minute test periods.
11.	To begin the test, the tester shall hand the children identical packages and say,
12.	TO OPEN THIS FOR ME.". If a child refuses to participate after the test has started, the tester shall reassure the child and gently encourage the child to try. If the child continues to refuse, the tester shall ask the child to gently encourage the child to try. If the child is finished. This pair of children shall not be hold the package in his/her lap until the other child disrupts the participation of the other child eliminated from the results unless the refusing child disrupts the participation. The tester shall watch the
13.	Each child shall be given up to 5 minutes to open his/her package. The tester shall minimize conversation with the children as children at all times during the test. The tester shall minimize conversation with the children as long as they continue to attempt to open their packages. The tester shall not discourage the children verbally or with facial expressions. If a child gets frustrated or bored and stops trying open his/her package, the tester shall reassure the child and gently encourage the child to keep
14.	The children shall be allowed freedom of movement to work on their pastages or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor, or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor, or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor, or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor, or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor, or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor, or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor, or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor, or bang or pry the tester can watch both children (e.g., they can stand up, get down on the floor).
15.	package). If a child is endangering himself or others at any time, the test shall be stopped and the pair of children eliminated from the final results. The children shall be allowed to talk to each other about opening the packages and shall be
16.	- Housed to wotch each other try to open the packages.
17.	A child shall not be allowed to try to open the other child's package. A child shall not be allowed to try to open the other child's package.
18.	If a child opens his/her package, the tester shall say, "THANK YOU," take the package from to child and put it out of the child's reach. The child shall not be asked to open the package a second time.

Daga 5 of 10

	At the end of the 5-minute period, the tester shall demonstrate how to open the package if either child has not opened his or her package. A separate "demo" package shall be used for the
