Wiring Diagrams

We recommend using 16 gauge (or larger) wire. The Speakers are rated at 4 ohms and work with any source unit or amplifier designed to operate at a 4 ohm load. Make sure your source unit or amplifier is rated for 4 ohm operation. Wiring configuration will effect impedance.

WARNING:

Stinger Audio products are capable of producing sound levels that can permanently damage your hearing! Listen responsibly and avoid continuous exposure to high sound pressure levels. While driving, keep the volume at a level that allows you to hear outside warning sounds (sirens, horns, etc.)

LIMITED WARRANTY

Stinger warrants this product to be free of defects in materials and workmanship for a period of one (1) years from the original date of purchase. This warranty is not transferable and applies only to the original purchaser from an authorized Stinger dealer in the United States of America only. Should service be necessary under this warranty for any reason due to manufacturing defect or malfunction, Stinger will (at its discretion), repair or replace the defective product with new or remanufactured product at no charge. Damage caused by the following is not covered under warranty: accident, misuse, abuse, product modification or neglect, failure to follow installation instructions, unauthorized repair attempts, misrepresentations by the seller. This warranty does not cover incidental or consequential damages and does not cover the cost of removing or reinstalling the unit(s). Cosmetic damage due to accident or normal wear and tear is not covered under warranty.

INTERNATIONAL WARRANTIES:

Products purchased outside the United States of America are covered only by that country's Authorized Stinger reseller and not by Stinger. Consumers needing service or warranty information for these products must contact that country's reseller for information.

Please DO NOT return to seller
